

# Eclipse Weekend programs at Knob Noster State Park

## August 19-21 2017

### Saturday August 19

10:00 am    **“Sun Shadows”**    *Meet at the visitor center*

Join a naturalist for this program to create some interesting designs using patterns created by shadows from the sun.

3:00 –4:30 p.m.    **“Useful Plants”** display    *Meet at the visitor center*

Stop by this display and discover how plants use the sun to survive.

8:30 pm    **“Gone Batty”**    *Meet at the campground amphitheater*

*Explore the wonderful world of bats at this naturalist led talk.*

### Sunday August 20

2:00 p.m.    **“Mystery Program”**    *Meet at the Amphitheater parking area*

4:00 p.m.    **“Family Scavenger Hunt”**    *Pick up the form at the visitor center or from the park naturalist. This program will end on Monday August 21 at noon.*

### Monday August 21

11:30 a.m. to 1:30 p.m.    **“Solar Fun”**    Meet at WPA parking area and follow the signs to the activities. We will make solar tea, use solar energy to power different toys, demonstrate solar cooking. **AND WATCH THE ECLIPSE HAPPEN!!!**

**Note:** the **total** eclipse will not be visible at the group camps and Clearfork lake area. Those areas will see the partial eclipse. **Please do not look at the sun without special viewing glasses**

**INSECT REPELLENT AND SUNSCREEN ARE ALWAYS RECOMMENDED**

**Please do not feed wild animals—they are unpredictable!**

**Put away food and trash nightly.**

Park programs are supported by the 1/10 of 1% Missouri Parks, Soils & Water Sales Tax. Thank you for your
