Scheduling a Ribbon Cutting:

Contact Amanda Flues to schedule a Ribbon Cutting. We usually like to schedule Ribbon Cuttings at least a few weeks in advance to effectively advertise the event. We recommend hosting Ribbon Cuttings on a Tuesday, Wednesday, or Thursday for a higher turnout. We will advertise the event in our weekly emails, our newsletter, our social media, and by word of mouth. Feel free to invite friends, family and clients.

Ribbon Cutting Process:

A Chamber Member Relations Committee Member will introduce the main speaker. The speaker will then have time to speak about the business, introduce the staff, or hand off the speaking to another individual. After all words have been said, we will guide everyone to the photo spot. We recommend taking a photo in front of the business or with the businesses' logo/banner/etc. We will line everyone up behind the Chamber Purple Ribbon with two Chamber Ambassadors or Board Members anchoring either side of the ribbon. The designated ribbon cutter will be given the scissors and will pose for a series of pictures. (Tip: hold the scissors at a downward angle to cut the ribbon). Once the photographer says "cut", the ribbon cutter can cut the ribbon. A portion of the ribbon will be given to the ribbon cutter to keep.
