

## Top Photos from February

As we close the door on February and say hello to March, I wanted to share some of the top photos of my work in Washington and Missouri's Fourth from the past month. I hope you enjoy these moments as we look back on February!

**Additionally, we want to see *your* favorite photos of MO-4! We would love to feature your photo of our great district in future editions of this email. Simply submit your photo by using the hashtag [#MO4Favorites](#) on Instagram and your photo might be featured in the future.**

### Checking in at Whiteman Air Force Base

It was my pleasure to visit with our nation's finest men and women in uniform at Whiteman Air Force Base. I was fortunate to see their recent work and get an up-close-and-personal view of one of their Black Hawk helicopters.

## Digging into the Details of Obamacare

I hosted a roundtable event in Clinton, MO in February to meet with doctors and insurers regarding the [potential changes to healthcare policy](#). We had a great turnout and a productive discussion. I am excited to bring their ideas to Washington so we can provide better healthcare options for all Americans.

## Promoting Long Range Strike

Missouri's Fourth is home to Whiteman Air Force Base and the B-2 bomber - a flagship aircraft in the nation's long range strike efforts - and with the Air Force's [new Long Range Strike Bomber](#) on the horizon, our district will continue to play a critical role in this mission in the future. As such, I am proud to co-chair the House Long Range Strike Caucus, a group of representatives dedicated to making sure our capabilities remain the best in the world long into the future.

This month I hosted members of the caucus, partners in the defense industry, and General Stephen "Seve" Wilson, the Air Force Vice Chief of Staff to discuss issues facing the mission and the future of the B-21 bomber.

## Standing for Life with Live Action

It was a blessing to join fellow pro-life leaders in Washington for a press conference hosted by [Live Action!](#) I was proud to cast my vote for H.R. 7 to end taxpayer funding of abortions. You can watch my remarks by [clicking here](#) or on the graphic below:

## Getting Back to My Roots in Archie

As a former teacher, I am always eager to get back to our district to visit with students. This month I had the pleasure of visiting my alma mater, Archie High School. I was able to address the entire student body, but these lovely ladies made me a beautiful welcome banner for my visit! Go Whirlwinds!

I hope you enjoyed the top photos from February. I look forward to seeing your [#MO4Favorites](#) on Instagram soon!

Yours in service,

Vicky Hartzler  
Member of Congress
