Ribbon Cutting Ceremony

Burg Dogs

The Warrensburg Chamber of Commerce held a ribbon cutting for Warrensburg's new downtown hotdog cart Burg Dogs on Friday, November 8th. "Burg Dogs is a local hotdog cart with good food, friendly service and a dedication to quality. Featuring all beef hot dogs, Peach Nehi and Old Drum sauce." The cart is located on the corner of Market Street and Holden Street across from the Courthouse.

Member Relations Committee member Jamie Brisbin thanked everyone in attendance for coming to the ribbon cutting, including Mayor Casey Lund, Councilman Bryan Jacobs, Johnson County Recorder Stormy Taylor and Johnson County Treasurer Heather Reynolds. She then introduced Burg Dogs owner, Tim Russell. "Every small town needs a hot dog cart, that's just something I believe," he stated. "I love our downtown, so I think this a great spot to be in." He also wanted to give a special thanks to the Gelbach family for letting Burg Dogs use the space owned by their family.

Anchoring the ribbon in the photo above are Mayor Casey Lund and Chamber Board of Directors Chair Greg Hall as Burg Dogs Owner Tim Russell prepares to cut the ribbon alongside friends, family and fellow chamber members. For more information including updates on Burg Dogs' business hours, visit their Facebook page at: www.facebook.com/BurgDogsCart/

Military Affairs Luncheon

The Warrensburg Chamber of Commerce Military Affairs Committee hosted a luncheon at the American Legion on Wednesday, November 13th. Col. Schreiner, commander of the 509th Bomb Wing, gave updates on Whiteman Air Force Base including information on the B-2, the future of the B-21, and announced that Wings Over Whiteman will again occur in 2020! A huge thank you to Col. Schreiner for taking time out of his day to speak to us, the American Legion for the tasty food, and Robin Crouch of the MAC for organizing the event.

Wings Over Whiteman to return in 2020

Derek Brizendine, Managing Editor of Digital Publishing—Daily Star-Journal

WARRENSBURG — After the success of the 2019 Wings Over Whiteman, the event will return in 2020, 509th Bomb Wing Cmdr. Col. Jeffrey Schreiner announced Wednesday afternoon, Nov. 13, at the Warrensburg Chamber of Commerce Networking Luncheon, hosted by the Military Affairs Committee, at the American Legion Post 131.

In the recent past, Wings Over Whiteman went from an annual event to a biennial event.

This would have slated the next Wings Over Whiteman for 2021. Schreiner said the success of the 2019 event helped fuel the 2020 event.

He said details are still being worked out but there are plans in place to bring the F-35 Demonstration Team to the 2020 event. Schreiner said there will be a break from the event in 2021 with the next one slated for 2022.

He said there are hopes of bringing the United States Air Force Thunderbirds to the 2022 event.

As for the 2020 WOW, an official date has not been set but Schreiner said it will take place on a weekend in the middle of June.

WMMC Auxiliary is the 2019 Auxiliary of the Year Winner

Warrensburg, MO (November 6, 2019)—Western Missouri Medical Center (WMMC) Auxiliary was selected as the 2019 Auxiliary of the Year—Category II which represents auxiliaries of a hospital with between 31 and 100 licensed beds by the Missouri Association of Hospital Auxiliaries (MAHA).

The hospital's 92 auxiliary volunteers contributed 11,793 hours of volunteer service in various in-service activities throughout the hospital from June 30, 2018 through June 30, 2019. The auxiliary supports scholarships for students pursuing health careers and awarded five scholarships of \$1,000 in 2019. The Auxiliary have given \$90,000 since the first one was given in 1975.

In addition, successful fundraising and gift shop sales allowed the auxiliary to contribute a record amount of \$114,522 for equipment and remodel of the Women's Health Center. "Our Auxiliary celebrated 50 years of service to Western Missouri Medical Center in 2018. To commemorate this important milestone, we were able to finalize a long held vision to remodel the waiting area of the Women's Health Center. The Auxiliary Board voted at our August 2018 meeting to achieve this vision by providing \$88,000 to help remodel and give a fresh new look to the Women's Health Center," said Sharon Franklin, Auxiliary President. "This is the 2nd time we have received this designation in five years. It is so nice to be recognized by our peers for the work we do each year."

Ongoing projects that are funded include: providing specially made bras for post-mastectomy patients, plush animals for pediatric surgery patients, comfort pillows for surgery patients and memory boxes for families of still born infants and a Compassionate Friends program to provide a reassuring presence to dying patients who would otherwise be alone. Since the beginning of the WMMC Auxiliary in 1968, \$726,550 has been generated and given for the benefit of our Medical Center, projects and activities. The Auxiliary has faithfully supported the Mission of Western Missouri Medical Center by implementing our motto "Service is our Purpose" in many ways with the support of WMMC and its Board of Trustees for over 50 years. Champions Recognized at Central Missouri Speedway Banquet!

Central Missouri Speedway
November 13, 2019
For Immediate Release

(Warrensburg, Missouri) Central Missouri Speedway (CMS) and Lakeside Speedway recognized their season champions and points leaders at the recent fifth-annual combined season-ending banquet in Blue Springs, Missouri with over 280 guests in attendance.

Throughout the night, drivers in attendance received accolades for their season accomplishments. For CMS this included drivers competing in A-Mods, Street Stocks, B-Mods, Mod-Lites, and Pure Stocks as the top ten in each division took to the stage to receive their cash and hardware.

After a fantastic meal served by the Blue Springs Elks Lodge Staff, the awards portion of the program began with a special message of

thanks to speedway promoters from CMS and Lakeside Speedway for providing a place to race and spectate for the drivers and fans. According to CMS track statistician Glyda Jaeger, 264 drivers competed at CMS during regular-season action and there were 36 different drivers who claimed feature race wins throughout the year.

First to receive their awards were the Pure Stock Drivers. This season, 42 drivers competed in Pure Stock events with 8 different drivers claiming feature wins throughout the year. This season resulted in a new season champion as Lone Jack, Missouri's Logan Headley took top honors in a close battle with upstart driver Spencer Reiff. Headley recorded to main-event wins as did Reiff, but it was Headley's 11 top-five finishes out of 13 events that led him to a first-ever CMS title. Reiff was second, followed by brothers Joey and Gale Harper and Rookie of the Year, Jimmie Workman. Reiff was named most improved Pure Stock driver.

A total of 89 different B-Mod drivers participated in B-Mod action this year at CMS, 8 more than last year, which shows the continued growth and presence of this class. There were 8 different main event winners in the division throughout the year.

At the conclusion of a hard-fought battle during the season, long-time CMS driver and Lansing, Kansas, native Jake Richards came away with his first-ever CMS title. His margin of victory over multiple-time champion Jacob Ebert measured just 26 points.

Richards drove to victory on three separate occasions throughout the year and finished among the top five 11 out of 14 race appearances, compared to Ebert's single victory and eight top-five finishes. Jeremy Lile recorded his best-ever CMS season and was third in the final rundown, edging out Kameron Grindstaff and Patrick Royalty in fourth and fifth. The season's most-improved driver was Don Marrs.

Tip: The wisdom of Carrie Fisher.

"I am a very good friend, I can go the distance with people."
—Carrie Fisher

This is a great quote* because it captures what being a supportive friend or business colleague is all about. If you consider yourself as someone who "goes the distance with people" you will put the ups and downs of a relationship into perspective. Is there anyone in your network that you have 'bailed on' or not chosen to go the distance? Is this relationship worth revisiting?

Five ways a hobby helps your career.

We always encourage people to get involved with something they are passionate about. If you love photography, join a Meetup group. If you enjoy the outdoors, join a hiking group. Not only will you be doing an activity you like, you will be expanding your network by meeting a variety of people who share your interest.

But, as Jessica Stillman explains in her *Inc.com* article, "having a passion outside of work has surprising benefits that carry over into your professional life, making your life not just more fun, but more successful too. Here's how a getting a hobby will help you:"

1. **It will boost your performance at work.** Research out of San Francisco State University found that those who engaged in a creative hobby performed between 15-30 percent better at work.
2. **It will increase your confidence.** British researchers found that spending more time on a hobby can boost people's confidence in their ability to perform their job well.
3. **It will make you more resilient.**
4. **It might make you smarter.**
5. **It can serve as a form of mindfulness.**

For more inspiration read: [5 Incredible, Research-Backed Benefits of Having a Passion Outside Work](#)

[Should you try a wacky job application strategy?](#)

In a recent survey by job search engine SimplyHired, 13% of applicants used an unusual strategy like a stunt or gimmick during the job application process—and 70% of them got the job they wanted. More than 55% said the effort was received positively.

There's Strength in Numbers

A medical plan that lets small businesses join together for more plan options and lower rates

Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for small businesses who are members of a qualified Chamber of Commerce, like ours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates – and fewer viable plan choices.

Fortunately, there's a simple and affordable medical plan alternative. It's called the Chamber Benefit Plan and it's just one of the many advantages of joining our chamber.

Powered by the Missouri Chamber Federation, administered by The Health Plan (THP) with network access from HealthLink and Freedom Network select, the Chamber Benefit Plan is available to small group employers in Missouri who have 2 to 50 eligible employees.

Advantages that make a real difference:

- › Shared overall claims risk across a large pool
- › Competitive, medically underwritten rates
- › Fixed, predictable monthly payments
- › Choose from a variety of plan designs, including 10 PPO and three HSA options
- › Minimize the impact of ACA mandates while offering coverage to all eligible applicants, regardless of health status
- › Access to HealthLink/Freedom Network Select network
- › Coverage for claims run-out/terminal liability coverage
- › Simple, streamlined administration

Not a member of our chamber yet? We'll help you join today!

Chamber members have access to a full range of high-quality plans and options that can lead to significant savings. Contact us today to learn more.
