## WITH THE WARRENSBURG CHAMBER OF COMMERCE

Thank you to all our members that have renewed their memberships for the 2020 Year! **If you have not renewed**, but want to remain a Warrensburg Chamber of Commerce member, give us a call ASAP. 660-747-3168

Our Chamber prides itself on providing plentiful networking opportunities, including Women in Networking, Young Professionals and Military Affairs groups as well as educational sessions such as medical marijuana in the workplace, cybersecurity and department of labor law changes. Our members receive several money saving opportunities such as Office Depot Savings, UPS shipping discounts, Auto-Owners Insurance, Chamber Benefits Plan (health insurance) and we also offer participation in gift certificates, Old Drum Discount coupons and member to member savings.

We have over 500 chamber members and because of our strong membership, we are able to host and partner with many organizations to build a strong and vibrant community which benefits us all. The following are some examples of what we are involved with: Holiday Parade, Shop Local Night, Father Christmas on the Amtrak Train, Legislative Day at Jefferson City, Eggs and Issues breakfast (bringing our legislators to you), Manufacturing Day (over 200 high school students visit 5 manufactures to learn of the career opportunities), Candidate Forums (live and streamed), Love What's Local (Restaurant Week, Community Sidewalk Sale, Holiday Open Houses, Clean the Burg), welcoming UCM Freshman and their families to campus, welcoming military members to Whiteman Air Force Base at Newcomers Briefing, MLK Community Awards, Warrensburg Economic Coalition, welcoming new R6 teachers to the community and provide community tours.

The above is just a snippet of what we do. Each and every day we are ambassadors for our community as we want people to, [Come, Sit and Play](#) in Warrensburg!

We want you to be your Business Bestie and get you connected, help you stay connected, and GROW!

Love What's Local is a collaborative campaign between Warrensburg Main Street, Warrensburg Chamber of Commerce and the City of Warrensburg to educate and encourage Warrensburg residents to purchase local goods and use local services. Loving What's Local helps create and maintain local jobs, support locally owned businesses and community nonprofits, encourage unique businesses that add community character, reduce environmental impact of out-shopping, and provide sales tax dollars to be spent locally. Love What's Local organizes annual events (listed below) to promote its mission.

@LoveWhatsLocalWarrensburg @lwlwarrensburg

## Restaurant Week

Restaurant Week is a promotion designed to encourage community members to Love What's Local by trying a new restaurant or menu item, or visiting an old favorite. Restaurant Week is not about getting a super deal on your meal, but provides a structured opportunity to let guests be more comfortable trying new things. A \$10 Lunch and \$25 Dinner is offered by participating restaurants.

## Community Sidewalk Sale

The Community Sidewalk Sale is a two day event held in August. Businesses may have merchandise outside their store, or offer a sale inside their store. Participating businesses will have a Love What's Local flag in front of their business and will also be listed on the Love What's Local Facebook page.

## Clean the Burg

This two day event is to encourage community volunteerism and to beautify our town. Residents, families, community groups, businesses, churches and teenagers who need to perform service hours can come up with a projects and implement them during the event. Those who participate are encouraged to share their photos on social media with the hashtag #CleanTheBurg.

## Holiday Open Houses

Holiday Open Houses is a two day event where businesses display their holiday merchandise and offer deals and/or treats to customers. Offerings are listed in a guide that is posted on the Warrensburg Chamber website, the Warrensburg Main Street website and on the Love What's Local Facebook Page.

## Local Resident(s) Among 27 UCM Esports Players to Receive Scholarships

WARRENSBURG, MO (Dec. 20, 2019) – Meeting a growing level of interest in a highly competitive arena, the University of Central Missouri has signed 27 students to participate in UCM Esports for spring 2020. Students from many different academic disciplines turned out for the signing event in December to formally document their intention to join UCM Esports. All of these team members will each receive a \$500 scholarship for the spring 2020 semester just for being selected to participate in esports.

Steven Shattuck, assistant professor in the School of Computer Science and Mathematics, organized and launched the university's first-ever esports team during the fall 2019 semester. While getting this program off the ground was a learning experience, he said it was fun for all who participated, and interest is continually growing.

"We had hundreds of applicants, and that was just all in-house. We are now starting to get people applying from other places," Shattuck said, noting that about 200 potential freshmen, nationwide, have expressed interest in enrolling at UCM in order to participate in esports.

The startup of UCM Esports took place on a small scale, but with expansion this spring, there is an opportunity to add more games which are of interest to team members. One team is selected for each of three different games.

"Last semester, we only had one game. It was Overwatch," Shattuck said. "This semester, we're doing Overwatch, Rocket League and League of Legends. We have 27 scholarships this semester, so we are getting there. By fall we are hoping to have 40 scholarships."

Shattuck said the fall 2019 Overwatch team participated in a national collegiate tournament, but lost to DePaul University as it was making a run for the finals.

"We ended up going over .500 for the year, which is pretty good for a first team," he said.

Shattuck added students who participate in UCM Esports are being challenged to do their best. Much like students involved in other collegiate sports, they are encouraged to study videos that will help them to learn more about their strengths and weaknesses, and how they can improve. Careful attention to player development will contribute to the team's success in the future, he said.

"We had 15 team members last semester, and eight of them have returned. It's not just about academics, because they have to have at least a 3.0 (grade point average), but we do look for improvement, because it's a competitive team," Shattuck said.

Shattuck noted that UCM was the second public university in Missouri to create its own esports team. Esports provides an opportunity for competitive, organized electronic gaming involving individuals who play the same popular games that they enjoy on their home systems. Competitions involving programs such as Overwatch, League of Legends and Rocket League can take place on campus, but at the highest level, this could mean arena-style play where participants can be watched in action via a streaming video service such as Twitch.

Similar to collegiate sports teams, which follow guidelines established by a member-led organization such as the National Collegiate Athletic Association (NCAA), esports also has its own organization to champion its growth and development on college campuses. With more than 100 participating schools, this group is the National Association of College Esports (NACE), headquartered in Kansas City, Missouri.

UCM students who participated in the recent signing ceremony come from all over Missouri, and from states such as Arkansas, Kansas and Utah. These team members include: Lucas Ballard, Jefferson City, Missouri; Cody Bruckerhoff, Hermann, Missouri; Owen Bruns, Washington, Missouri; Grant Bucher, Hermann, Missouri; Robbie Campbell, Wildwood, Missouri; Jared Clapp, Pleasant Hill, Missouri; Dominic Cortez, Spring Hill, Missouri; Dylan D'Anostino, Independence, Missouri; Brett Dempksi, Lee's Summit, Missouri; Matthew Fowler, Platte City, Missouri; Shawn Gallagher, Pleasant Hill, Missouri; Rachel Homewood, Sandy, Utah; Bradley Kenney, Warrensburg, Missouri; Jonah Lesh, Springdale, Arkansas; Jackson Letcher, Platte City, Missouri; Marcus Nameth, Overland Park, Kansas; Michael Okuly, Pleasant Hill, Missouri; Cote Polly, Lawson, Missouri; Mason Scheible, Hermann, Missouri; Gage Shook, Lawson, Missouri; Jordan Wussler, St. Louis, Missouri; and Ryan Young, Meadville, Missouri. Other students who have signed on as team members but could not attend the recent ceremony are: Jacob Epstein, Jacob Giles, Chandler Miller, and Tuck Mori-Kreiner.

Individuals who want to know more about Esports at UCM, including the recruitment process, are encouraged to contact Shattuck at [ucmesports@ucmo.edu](mailto:ucmesports@ucmo.edu). Interested students will be provided access to the group's webpage which will include an application and questionnaire, and they can follow the team on Twitter, Facebook, Twitch and Discord @UCMesports. For Instagram, it is @UCMesports1.

Participants in the UCM Esports signing event were: front row, left to right, Dominic Cortez Gage Shook, Matthew Fowler, Rachel Homewood, Grant Bucher, Jonah Lesh; second row, Shawn Gallagher, Brett Dempksi, Bradley Kenney, Dylan D'Anostino, Marcus Nameth, Mason Scheible, Michael Okuly; third row, Jared Clapp, Cote Polly, Robbie Campbell, Cody Bruckerhoff, Ryan Young, Owen Bruns, Jordan Wussler, and Lucas Ballard. Not shown are Jacob Epstein, Jacob Giles, Chandler Miller, and Tuck Mori-Kreiner.

## Event Release

### Johnson County Citizens for Environmental Action (CEA)

Release date: December 23, 2019

Event date: January 7<sup>th</sup>, 2019, 5:30 pm

Event: Johnson County Citizens for Environmental Action (CEA) monthly meeting

Location: Warrensburg Community Center, 445 East Gay Street, Warrensburg

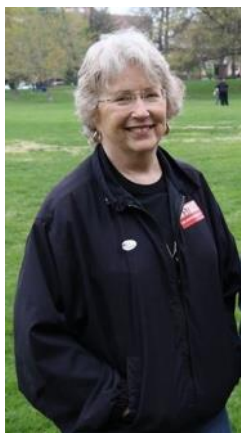

Contact: Mark Pearce (660) 747-2684

The regular monthly meeting of Johnson County Citizens for Environmental Action (CEA) will be held Tuesday, January 7<sup>th</sup>, 5:30 pm in the David Curtis Room at Warrensburg Community Center, 445 East Gay Street in Warrensburg.

Members will discuss plans for the upcoming CEA Earth Day at the Farm event, the suggestion to share creative works that convey an environmental theme on the organizations Facebook page, the possibility of changing a 2020 CEA meeting date in order to accommodate a visit to the High Lonesome Chapter of the Missouri Natural Naturalist organization, and other matters that may be brought before the board.

The informative program after CEA's business meeting will be CEA member Jane VanSant relaying information from the Resilience in Action meeting held recently in Kansas City. The event was sponsored by Climate Action KC and the Mid-America Regional Council. One of the main developments at the meeting was the release of the Climate Action Playbook. "The Playbook" identifies short-term opportunities for success at reducing greenhouse emissions at a municipal level and focuses exclusively on actions that have already demonstrated success in the Midwest.

Jane's presentation and discussion should begin around 6:30 pm in the David Curtis Room of the Warrensburg Community Center, 445 E. Gay Street in Warrensburg, and the public is welcomed to attend.

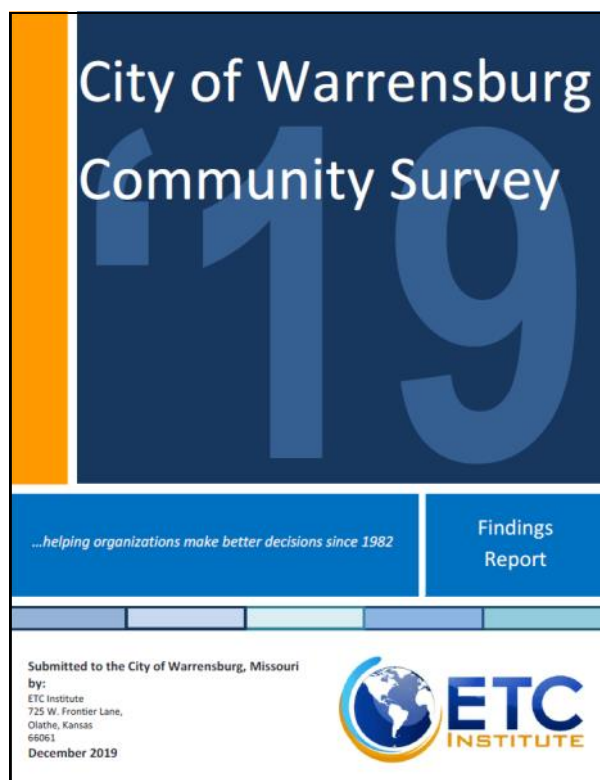

Johnson County Citizens for Environmental Action (CEA) member Jane VanSant will discuss the recent Resilience in Action meeting in Kansas City, where Climate Action KC and the Mid-America Regional Council officially released the Climate Action Playbook. "The Playbook" identifies short-term opportunities for success at reducing greenhouse emissions at a local level, focusing on actions that have already been demonstrated and successful in Midwestern communities.

Similar to the Survey conducted in 2017, the 2019 Community Survey was commissioned to assist Council and Staff in assessing all City services and departments, and assist with the determination of City priorities, projects and goals over the next couple of years. Almost all of the survey questions are the same as those asked in 2017 to maintain comparability from one survey to the next. The City Council and Staff thank all of those citizens/households who participated in the survey and look forward to using the data to improve the community and City services.

Who benefits when people perform simple acts of kindness?

- ☐ The Receiver
- ☐ The Giver
- ☐ The Observer

Tip: The 'ripple effect' of kindness.

## Think (and do) small prosocial acts in 2020

Prosocial sounds like a trendy way of saying do and say nice things to others, but let's go with it. In a [2018 study](#), researchers asked a small group of employees (Givers, Receivers and Controls) to perform simple acts of kindness to their co-workers for four weeks.

The results: "Givers and Receivers mutually benefited in well-being in both the short-term (e.g. on weekly measures of competence and autonomy) and the long-term. Receivers became happier after 2 months, and Givers became less depressed and more satisfied with their lives and job."

But the study also showed that Givers' prosocial acts inspired *others* to act. In other words, "practicing everyday prosociality is both emotionally reinforcing and contagious." That's a **good** contagion for your office.

Things you can do:

- Thank colleagues—even for the small things they do.
- 'See' them—when walking down the hall or in the elevator, make eye contact, smile and say something to them, even if it's just hi.
- Be nice—words are free—it doesn't cost anything to say something pleasant or kind.
- Learn people's names. And, once you know it use it more frequently in conversation with them.

To learn more: [Small acts of kindness at work benefit the giver the receiver and the whole organisation](#)

Tip: It's the one time of the year...

## To do this good thing—even in your pajamas!

If you are one of the lucky people who get a number of days off over the next week, we want you to enjoy as much downtime as you can. We do have one suggestion: is there anyone you know who could use a **phone call** from you around this time of year? It could be:

- A friend who has recently gone through a very rough time
- An older relative
- Someone who lives alone
- A friend who lives in another country and who you usually communicate via social networks
- Someone whose voice you miss
- A dormant friendship that could be restarted

Yes, an email or electronic message may be easier but the human voice has a special power. [Stephen Henn](#) says this: "Voices can create empathy and understanding; they transmit emotion. We are wired to feel each other this way."

Happy holidays, everyone!

## There's Strength in Numbers

A medical plan that lets small businesses join together for more plan options and lower rates

#### Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for small businesses who are members of a qualified Chamber of Commerce, like ours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates – and fewer viable plan choices.

Fortunately, there's a simple and affordable medical plan alternative. It's called the Chamber Benefit Plan and it's just one of the many advantages of joining our chamber.

Powered by the Missouri Chamber Federation, administered by The Health Plan (THP) with network access from HealthLink and Freedom Network select, the Chamber Benefit Plan is available to small group employers in Missouri who have 2 to 50 eligible employees.

#### Advantages that make a real difference:

- › Shared overall claims risk across a large pool
- › Competitive, medically underwritten rates
- › Fixed, predictable monthly payments
- › Choose from a variety of plan designs, including 10 PPO and three HSA options
- › Minimize the impact of ACA mandates while offering coverage to all eligible applicants, regardless of health status
- › Access to HealthLink/Freedom Network Select network
- › Coverage for claims run-out/terminal liability coverage
- › Simple, streamlined administration

#### Not a member of our chamber yet? We'll help you join today!

## Restaurant Guide

Warrensburg  
MISSOURI  
Chamber of Commerce

The Warrensburg Chamber of Commerce's mission is to create opportunities that drive commerce and promote business. One way we help do that is to direct newcomers or visitors to Warrensburg to our local businesses! These publications are handed out at community events, given away in our Welcome Bags that go out to Whiteman Air Force Base and various other locations, housed in our office and posted on our website.

The **Restaurant Guide** contains a list of restaurants, coffee shops, wineries, etc. in Warrensburg, as well as our Chamber members in Knob Noster. Our Chamber members are listed in bold in this publication.

Our **Relocation Information** brochure lists essential businesses and organizations to contact upon arrival to Warrensburg. This brochure only contains our Chamber members' information.

If you know someone who has recently moved to the area, or if you know someone interested in moving to Warrensburg, please refer them to our website at [www.warrensburg.org](http://www.warrensburg.org) to find these resources!
