Ribbon Cuttings

Warrensburg Star-Journal

The Warrensburg Chamber of Commerce hosted a ribbon cutting for the new ownership and location of Warrensburg Star-Journal on Wednesday, January 20th. They are now located at 101 E Market Street, Suite D, just down the street from their original location. "The Daily Star-Journal was purchased on October 1st, 2020 by the Sedalia Democrat. The name was then changed to Warrensburg Star-Journal. Updates also include a new page design and new website." Will Weibert is now the Publisher of the Warrensburg Star-Journal, and Nicole Cooke is the Editor.

Anchoring the ribbon in the photo above are Police Chief Rich Lockhart and Mayor Elect Scott Holmberg as Publisher Will Weibert prepares to cut the ribbon alongside staff, community members and Chamber representatives.

You can find the Facebook LIVE Video of the ribbon cutting introductions [HERE](#).

You can also find more information about the Warrensburg Star-Journal's transition in our EnGAGE! video [HERE](#).

Behavioral Health Holdings

Warrensburg Chamber welcomes Behavioral Health Holdings to county

By Dustin Steinhoff, dustins@warrensburgstarjournal.com

KNOB NOSTER—The Warrensburg Chamber of Commerce hosted a ribbon cutting for Behavioral Health Holding's new Early Intervention Clinic on Friday, Jan. 29.

The new clinic is located at 945 NE 105th Road, Knob Noster. BHH provides services to individuals with developmental disabilities.

Director of Business Development Mia Gonzalez said BHH assists individuals of all ages with developmental disabilities, but the Early Intervention Clinic specializes in assisting with children diagnosed with autism.

Gonzalez said the clinic provides intensive services for children to learn more skills, decrease challenging behaviors and prepare them for school.

Gonzalez added that the BHH organization provides additional services such as a private day school for children with developmental disabilities as well as transportation, residential and crisis services. Prior to the opening of the Knob Noster clinic, Gonzalez said BHH had spoken with the Warrensburg Police Department to discuss the community's need for crisis services for individuals with severe behavioral challenges due to developmental disabilities.

Behavioral Health Holdings President Erin Wiercinski said when speaking with WPD Chief Rich Lockhart, he explained that when incidents arise involving individuals with developmental disabilities engaging in severe challenging behaviors, police are called to respond to the incident.

"Our mission within our organization is to modify these individuals' behaviors," Wiercinski said. "We utilize the science behind behavioral analysis to change their behavior instead of having to use police involvement, hospitalization and medications."

Say hello
to our
new
Intern,
Rachel!

"My name is Rachel Schultz and I am currently a junior here at UCM. I am from Troy, Missouri which is a small town about an hour away from St. Louis. I am a public relations major and I am also working towards an event management certificate. When I am not in the classroom, I am outside working hard as a collegiate athlete or probably baking something. My passion for communication drew me to public relations. I became fascinated with the ability to communicate one key message to a large diverse audience. I am a detailed-oriented, responsible and committed student athlete, with a get-it-done attitude that will make me successful in any workplace. I am extremely grateful for this internship and all the experience that will come with it. I am eager to showcase my own ideas and strong work ethic to the Warrensburg Chamber of Commerce."

"THANK YOU Warrensburg First United Methodist Church for your generous donation that will help meet the needs of people in the Johnson County community! We are grateful for your support!" - Missouri Valley Community Action Agency

"Today crews presented Administrative **Chief Guy Parsons** with decorative fire extinguisher cases in honor of his 42 years of service and dedication to the Warrensburg Fire Department. Identical cases have been mounted to the walls of both Station 1 and Station 2 in his honor.

Following Chief Parson's retirement departure, his tales of the old days, while sitting around the kitchen table, as well as his extensive wisdom and fire service knowledge will certainly be missed by all at the Warrensburg Fire Department.

We wish Administrative Chief Parson's many years of happy retirement to come." - **Johnson County Fire Protection District, Local 3923**

One Body Massage

www.onebodymassagetherapy.com
123 E Gay Street, Suite S1, Warrensburg, MO
660-362-0801

Owner David Kopp

One Body Massage provides high-quality massages to improve your health by attentive and outstanding massage therapists. They offer services such as hot stone massages, cupping therapy, and so much more! David and his team of five each have their own specialties, which brings a very beneficial business to the Warrensburg community.

What made you want to get a membership with the chamber?

The obvious answer is to be part of the community. However, I also want to join with other business owners to help Warrensburg thrive.

What do you love most about Warrensburg?

The people are friendly and always willing to step up and help whenever a need arises.

Why are you passionate about your business?

Massage therapy is amazing in that results can be felt immediately, and over time. It can help reduce stress and ease pain and it puts people on a path to living a healthier lifestyle. Not only that, but people leave our office happier than when they came in.

What makes your business unique?

No two people are exactly alike. You can't properly serve your clientele by doing cookie cutter massages. We tailor our treatments to the individual, while also giving them control over their treatment plan.

How long have you owned your business?

Nearly 10 years. I opened my practice May 16, 2011.

How and why did you get started in this line of work?

After 32 years as a sports journalist and photographer, I needed a change. I found massage therapy almost by accident, but I fell in love with it immediately after enrolling at WellSpring, School of Allied Health in Kansas City. It's one of the best decisions I've ever made.

What is your favorite aspect of your job?

I enjoy giving a massage as much as I enjoy receiving one. That's because of the changes I see in people, both physically and in their state of mind. I get excited when the light goes on and they see and feel the benefits of regular massage.

In what ways has your business grown and developed over the years?

In the beginning, I rented space in a chiropractic office (Warrensburg Wellness). In 2014, I moved into my own space and saw real growth in my business. About three years later, I began building my staff. We now have a team of five Massage Therapists (including me), each with a unique area of specialization.

In what ways has your business helped the local community?

We are happy to donate to local charities, both monetarily and/or by providing gift certificates for silent auctions at fundraising events. We also offer free chair massages at some of the events we attend.

In your opinion, what is the most enjoyable part of being able to serve the Warrensburg Community?

It's gratifying to see the difference you can make in someone's life, no matter how big or small the gesture. The people of Warrensburg have always been great about rallying to help and it's wonderful to be a part of such a caring community.

- David Kopp

Friend of Youth

Optimist Club of Warrensburg, Missouri

Calling all teachers and youth!!!!!! Are you looking for a lesson plan, do you have a student who is interested in oratory and/or essay writing? Each year, the Optimist International Foundation promotes both an essay and oratorical contest, with the Optimist Club of Warrensburg hosting our local oratorical on March 25 and we need participants. This would be a great educational block to help students prepare and present their views through the oratorical contest or voice their thoughts through creative writing with the essay contest. This is also a great opportunity to earn scholarship \$\$\$\$ as well as gain speaking experience.

Since its start in 1928, the Optimist Oratorical Contest has become the longest-running program sponsored by Optimist International. This year's oratorical topic "Healing The World With Optimism" is the theme with a very broad spectrum of interpretation. The contest is designed for youth to gain experience in public speaking and provide them with the opportunity to compete for a college scholarship. It is very easy to apply for the contest. Interested students should prepare a 4- to 5-minute speech on the assigned topic to present at the contest. The speeches are judged at the Club level, Regional level (if needed) and then at the District level. Our first and second place winners will go directly to Regionals to compete for a \$500 award. District winners get scholarships of \$2500, \$1500 and \$1000.

Optimist International will also host an essay contest as well. This year's topic, "Reaching Your Dreams by Choosing Optimism" could be a great creative writing project for a class and would give students the chance to share their thoughts during this most interesting of times. The essay winner can win up to \$2500 at the district level, with the deadline for submissions for this contest being Feb 19.

Youth of all ages are encouraged to compete and gain experience and give their view on the topic. The contest is open to youth under the age of 19 as of October 1st of the current Optimist International contest year (October 1 - September 30) and is not enrolled as a degree seeking student of a post-secondary institution. There is no minimum age.

We would love to have your students participate, or encourage any teacher who would love to have this as a curriculum, please contact Bellenda Laughlin at Pack N Mail 660-747-2799 or packnmailwbeg@gmail.com for an information packet and entry form.

Warrensburg Area Career Center is currently accepting applications for the Practical Nursing and Class CA - Hairdressing and Manicuring Programs that begin in August 2021.

Low Income Home Energy Assistance Program (LIHEAP)

The LIHEAP Program can help you pay your main heating and cooling bills. The Program helps low-income people meet their immediate energy needs.

To qualify for assistance, you must meet each of the following requirements:

- Be the person responsible for paying home heating and cooling costs
- Be a United States citizen or have been legally admitted for permanent residence
- Have \$3000 or less in bank accounts, retirement accounts or investments
- Meet specific income guidelines that vary according to household size

Energy Assistance (EA)

EA will give you a one-time payment to your primary heating source. The amount of help you received is based on the number in your household, your household income and the type of heating source used in your home. Applications are accepted during the months of November through March.

Energy Crisis Intervention Program (ECIP)

ECIP can help pay your fuel bills when your utility is shut off or threatened to be shut off. The amount of help you receive is based on the amount of money needed to settle your crisis with the energy provider.

Winter ECIP – is available November – May based on funding. The maximum amount you could receive is \$800. Winter ECIP can be used for the primary and secondary heating source.

Summer ECIP – is available June- September based on funding. The maximum amount you could receive is \$600. Summer ECIP can only be used for electric.

COVID-19 Vaccine in Johnson County

WARRENSBURG, Mo. (Dec. 15, 2020) – Johnson County Community Health Services (JCCHS) is currently working through plans on distribution and administering the COVID-19 vaccine. Phase 1-A for healthcare workers and long-term care facilities will begin soon.

The Department of Health and Senior Services (DHSS) allocated the Pfizer-BioNTech COVID-19 vaccine to counties across the state. The vaccine was authorized for emergency use by the U.S. Food and Drug Administration on Friday night, Dec. 11, 2020. The vaccine is a series of two doses administered three weeks apart.

The schedule for vaccine distribution according to the state is:

Phase 1-A: Healthcare Workers and long-term care facilities.

Phase 1-B: Emergency response and essential workers.

Phase 2: Additional Phase-1 populations if not vaccinated in Phase 1, high risk populations and potentially all Missouri residents (as availability increases).

Phase 3: All Missouri residents – expected in spring or early summer and is dependent on vaccine availability.

JCCHS is working closely with local partners for storage and county-wide distribution plans of the COVID-19 vaccine.

Below are common questions that are answered by the latest guidance issued by DHSS:

What do I do if I miss the second dose 21 days after the first dose? Patients who do not receive the second vaccination dose at 21 days should still receive that second dose as soon as possible thereafter.

Should you get the vaccine if you have already contracted COVID-19? Yes, but for both symptomatic and asymptomatic COVID-19 patients, you should defer vaccination until you have met criteria to discontinue isolation.

Can you receive the vaccine if you are pregnant?

Yes, pregnant females are recommended for the vaccine depending on the individual's risk of acquisition due to the level of community transmission, personal risk of contracting COVID-19 due to occupation or other activities, risks of COVID-19 to the mother and potential risks to the fetus, efficacy of the vaccine, known side effects of the vaccine and the lack of data about the vaccine during pregnancy. Special counseling and a 15-minute observation period after vaccination, if chosen, is recommended.

Women who are pregnant or breastfeeding are encouraged to discuss vaccination with their primary care physician or OB prior to receiving the vaccine. A physician's order could be required.

Should you have a pregnancy test or antibody test prior to receiving the vaccine?

Routine testing for pregnancy or antibody tests is not recommended in relation to vaccine use.

Can you get this vaccine if you are in quarantine due to an exposure with a positive COVID-19 case?

You should delay your vaccination if you have had a known SARS-CoV-2 (virus that causes COVID-19) exposure until your quarantine period has ended, unless residing in a congregate setting (health care/long-term care facility, correctional facility, homeless shelter, etc.).

Can you get the flu shot and COVID-19 vaccine at the same time?

There is no information on co-administration of this COVID-19 vaccine with other vaccines. The Pfizer vaccine should be spaced at least 14 days from any other vaccine.

If you have been vaccinated, can you stop from using other precautions?

While experts learn more about the protection that COVID-19 vaccines provide under real-life conditions, it will be important for everyone to continue using all the tools available to us to help stop this pandemic, like covering your mouth and nose with a mask, washing hands often, and staying at least 6 feet away from others. Together, COVID-19 vaccination and following CDC's recommendations for how to protect yourself and others will offer the best protection from getting and spreading COVID-19.

Who is not recommended for the Pfizer vaccine?

Those under age 16.

An individual who has experienced a serious reaction (e.g., anaphylaxis) to a prior dose of a COVID-19 vaccine or to any of its components. For information on vaccine components, refer to the manufacturers' package insert.

This vaccine is free or low-cost. Doses provided by the federal government are provided to Missourians at no cost. However, vaccinators can charge an administration fee for giving someone the shot. A maximum fee amount has not been set at this time. Most insurance companies will cover an administration fee.

Most importantly, Missouri residents cannot be denied a vaccine if they cannot afford the administration fee or do not have insurance.

Most reported side effects were mild and include pain at the injection site, tiredness, headache, muscle pain, chills, joint pain, and fever. Of note, more people experienced these side effects after the second dose than after the first dose.

Please visit <https://covidvaccine.mo.gov/> for more information.

JCCHS continues to recommend following safety precautions as the county moves toward vaccine distribution completion. These include the 3Ws. Wear a mask, watch your distance and wash your hands.

JCCHS large decals for your floor or wall are available at our office - stop by and pick yours up!

REGISTER FOR A COVID-19 VACCINE

Register for a COVID-19 Vaccine at WMMC.

We are excited to announce we have ordered our first round of COVID-19 vaccines and are making plans for our first community clinic! Our goal is to order and distribute the maximum amount of vaccines available to us each week. As long as we are receiving vaccines, we will host community clinics as part of the ongoing effort to get the vaccine to all who want it in the first 100 days of distribution.

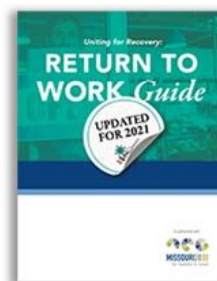

WMMC will be offering vaccines by appointment only and will be following the [Missouri COVID-19 Vaccination Phases](#) for vaccine distribution. To receive a call to schedule an appointment when we reach your phase and have the vaccine available, please fill out the form linked below.

Bethlehem Community Garden Transformation Tour

Bethlehem Community Garden Transformation Tour—Twelve years ago, our congregation (607 N. Maguire, Warrensburg—www.blchurch.com) started a vegetable garden out back, along with a perennial herb garden out front ... and in succeeding years added a children's garden out front, fruit trees, berry bushes, and a nature trail in our patch of woods. This past October, we began converting the community garden plot to raised beds. If you'd like to see what's here and get an overview of what's in store (and maybe even see how you could be a part of it), plan on attending this informational tour on **Saturday, February 6th** (that's four days after Groundhog Day) at **10:00 a.m.** in the garden plot at the far east end of the Bethlehem's backyard ... and spread the word letting others know they're invited! If the weather is bad, this will be postponed.

WMMC Partners with Local Artists to Bring Healing to Patients & Staff

Warrensburg, MO (January 19, 2021)—Western Missouri Medical Center (WMMC) partners with local artists to bring beauty and healing to their patients and staff during a time of uncertainty.

In 2019, the Warrensburg Art Commission funded a new hanging rail display at WMMC now permanently installed for any artist or art group to use. This display was initially used to display artwork of Warrensburg Middle School students through a Classroom Impact Grant from the Warrensburg Schools Foundation. While the students are no longer displaying their artwork at the hospital, other local artists have the ability to hang their work on a rotating schedule.

'We Are UCM: 150 Years of Education for Service' Celebration Begins in February Senate and House Resolutions, Pep Rally and More Launch Sesquicentennial

WARRENSBURG, MO (Feb. 1, 2021) -- From recognition at the Missouri State Capitol and the "We are UCM: 150 Years of Education for Service" celebration to a graduate student research competition and volunteer service projects, the University of Central Missouri officially kicks off its sesquicentennial this month. The celebration commemorates an important historical achievement that began when the State Board of Regents voted on April 26, 1871, to approve Warrensburg as the site for the new State Normal School for the Second Normal District. Special events throughout 2021–2022 will help retrace and celebrate the steps UCM has taken from its beginning as a small one-building college dedicated to training Missouri teachers to a comprehensive, technologically advanced university that today serves students from 43 states and 32 countries.

Special Events Help UCM Celebrates 150 Years of Education for Service

WARRENSBURG, MO (Jan. 14, 2021) – With the theme, "150 Years of Education for Service," the University of Central Missouri's sesquicentennial is an opportunity to celebrate the institution's rich heritage of educating students through a number of special events that begin this semester.

The University's Board of Governors has officially designated 2021-2022 as the university's sesquicentennial. The celebration commemorates a significant milestone for UCM that began with action taken by the State Board of Regents on April 26, 1871 approving Warrensburg as the site for new State Normal School for the Second Normal District. The sesquicentennial is an opportunity to retrace and celebrate the steps UCM has taken from its humble beginnings as an institution dedicated to training Missouri teachers to become a major comprehensive, technologically advanced university that today serves students from across the globe.

Trails Regional Library Receives Summer Reading Grant

Trails Regional Library is proud to announce that it was awarded a Summer Library Program Grant of \$7,750 from the Missouri State Library for its *Tails and Tales Community Reading Program*.

Together with partners including the Leeton School District and the Migrant Farmworkers Assistance Fund, Trails Regional Library will utilize the grant funding to provide reading logs, performers, and Take-and-Make activities to encourage reading for all ages across Johnson and Lafayette Counties. The theme "Tails and Tales" will utilize representative animal teams to encourage reading through community collaboration toward a common goal.

Trails Regional Library Phased Approach to Resuming Services

WILS-Library Partnership

Trails Regional Library and West-Central Independent Living Solutions (WILS) are excited to announce a partnership to bring technology access and assistance to residents of Johnson and Lafayette Counties through a mobile outreach initiative.

To meet the increasing demand for internet and internet-capable devices to connect to virtual programs, telehealth, and community support, Trails Regional Library and WILS have partnered to provide a pilot program to lend both internet hotspots and devices to those in need. WILS has donated 6 internet-ready devices to be made available to Library patrons in conjunction with the Library's new Hotspot Lending Program. A library card is all that is needed to access both tools.

Tip:
Stop the snowball
of consensus...
from a world-class
poker player.

TIP: Stop the snowball of consensus... from a world-class poker player.

Annie Duke, a poker player with a cognitive science background knows a thing or two about making decisions. She shares her thoughts in this strategy + business article, "Stop Trusting Your Gut". One decision-making area she discusses is group discussions and the belief that people will tell you their point of view honestly. That's not always what happens.

As she explains: "Once consensus starts to form, it generates its own momentum. It's like a snowball that turns into an avalanche of consensus... as you hear everyone else in the room agree, you start to question your own beliefs." To complicate matters there's the challenge of our hybrid-networking world where remote meetings don't show body language or other in-person vibes to 'read the room'.

Avoid the snowball effect by asking for individual input before a team meeting. "The leader collates the answers into areas of agreement and areas where the responses diverged. Once the meeting starts, the leader can quickly move through the consensus and spend most of the time talking about the differences, which is where the good stuff comes up. That's the opposite of a typical meeting, where 80 percent of the time is spent talking about the consensus."

Tip: The 10 top ways to be a better networker.

TIP: Top 10 Ways to be a Positive Networker

1. All connections have value, so treat each interaction as worthy of your time (and theirs).
2. Start your smile on the way to meeting someone.
3. Be the first person to put out your hand. This also avoids "The Hug".
4. Give the person you are talking to 98% of your attention. Save 2% for those standing in your periphery.
5. Ask the first question.
6. If it's a challenge to get a conversation going, keep asking questions. We find that most people give up too soon.
7. Keep this thought in mind: Is there anything I can do for this person, can I add value?
8. If you say you are going to follow up, do it quickly. Response time expectations are shorter these days.
9. Always have business cards, even if you choose other options to connect. It doesn't have to be an either/or strategy.
10. Act like a host, even if you aren't. Welcome people into your sphere. Rescue wallflowers and connect people who should meet one and other.

When looking for a senior living community, you want the best.

With Americare, you have it.

Top 20 nationally in customer and employee satisfaction

Americare Senior Living has earned 2020 Customer Approved and Employee Approved Awards from NRC Health. Only 20 Independent Living, Assisted Living, or Skilled Nursing organizations across the country earned this rare distinction, which is based on results from NRC Health's 2019 Resident and Family Experience Survey and the Employee Experience Survey. To qualify, organizations must have a high percentage of respondents willing to recommend their locations to friends and family as either places to live, or to work. This is Americare's second consecutive year to be recognized for customer satisfaction, and first year for employee satisfaction.

Experience That Matters

For almost 40 years, Americare Senior Living has been serving seniors and their families with upscale senior living and long-term care services. We're privately held and family operated, and we have the resources to put the best systems in place to protect both new and current residents. That's important. Because now, more than ever, it's experience that matters.

Let's talk. Please call us with any questions. We are here for you. Online assessment available.

There's Strength in Numbers

Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for businesses like yours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates — and fewer viable plan choices.

Fortunately, there's a simple and affordable medical plan alternative: *the Chamber Benefit Plan.*

Powered by the Missouri Chamber Federation, administered by The Health Plan (THP) with network access from HealthLink and Freedom Network select, the Chamber Benefit Plan is available to small group employers in Missouri who are members of a qualifying Chamber of Commerce and have 2 to 50 eligible employees.

Advantages that make a real difference:

- › Shared overall claims risk across a large pool
- › Competitive, medically underwritten rates
- › Fixed, predictable monthly payments
- › Choose from a variety of plan designs, including 10 PPO and three HSA options
- › Minimize the impact of ACA mandates while offering coverage to all eligible applicants, regardless of health status
- › Access to HealthLink/Freedom Network Select network
- › Coverage for claims run-out/terminal liability coverage
- › Simple, streamlined administration

Not a chamber member? We'll help you join one today!

Chamber members have access to a full range of high-quality plans and options that can lead to significant savings.

Let's get started. Contact us today to learn more.

Chamber of Commerce

The Warrensburg Chamber of Commerce's mission is to create opportunities that drive commerce and promote business. One way we help do that is to direct newcomers or visitors to Warrensburg to our local businesses! These publications are handed out at community events, given away in our Welcome Bags that go out to Whiteman Air Force Base and various other locations, housed in our office and posted on our website.

The **Restaurant Guide** contains a list of restaurants, coffee shops, wineries, etc. in Warrensburg, as well as our Chamber members in Knob Noster. Our Chamber members are listed in bold in this publication.

Our **Relocation Information** brochure lists essential businesses and organizations to contact upon arrival to Warrensburg. This brochure only contains our Chamber members' information.

If you know someone who has recently moved to the area, or if you know someone interested in moving to Warrensburg, please refer them to our website at www.warrensburg.org to find these resources!

Mission

The Greater Warrensburg Area Chamber of Commerce create opportunities that drive commerce and promote business.

Purpose

The Greater Warrensburg Area Chamber of Commerce is a community that supports business, values education and empowers leaders.

The Chamber Flash

is a twice-monthly email publication, out on the FIRST and THIRD Fridays of each month. It's a great way for Chamber members to share information about their businesses! It also keeps members up to date with member benefits, networking events and other activities.

Space in the *Chamber Flash* is an included member benefit for Chamber members only. E-mail your print ready ad in **JPG format** to chamber@warrensburg.org by **COB Tuesday** for Friday publication.

You must resubmit your flyer each week you would like it published.

The *Chamber Flash* is compiled and written by Communications Coordinator Amanda Flues.
