**WMMC Announces New Clinic Location Offering
Virtual Visits in Sweet Springs**

The graphic features a laptop computer on a dark blue background. The laptop screen displays the word "New" in a white, cursive font, followed by "VIRTUAL CLINIC IN ... SWEET SPRINGS" in a white, bold, sans-serif font. Below the laptop, a dark blue banner contains the text "(660) 463-7966 | 401 South Locust Street, Sweet Springs, MO" in white. Below this banner, the text "Your community is important to us" is written in a light blue font. A light blue box contains the heading "Changing the way you receive care." followed by three bullet points, each with a checkmark icon: "Virtual Family Medicine Clinic", "Conveniently located next to the Pharmacy, in The Market", and "Connect with providers from Western Missouri Family Health - Concordia for family medicine". Below this box, a dark blue banner contains the text "Make an appointment at (660) 463-7966" in white. At the bottom, a dark blue banner features the Western Missouri Medical Center logo on the left, the text "Western Missouri MEDICAL CENTER" in white, and the contact information "(660) 463-7966 | @WESTERNMOMED" on the right.

Western Missouri MEDICAL CENTER (660) 463-7966 | @WESTERNMOMED

Warrensburg, MO (February 12, 2021) — Western Missouri Medical Center (WMMC) is excited to announce the opening of a new clinic location in Sweet Springs that will offer virtual visits to patients starting Monday, Feb. 22. Patients can make an appointment by calling [\(660\) 463-7966](tel:6604637966).

"At WMMC we believe in providing health care closer to home," said Darinda J. Dick, CEO/President of WMMC. "This partnership between the Sweet Springs pharmacy and WMMC

will create a better continuum of convenient medical care. We look forward to serving this community.”

The Western Missouri Family Healthcare virtual clinic is located at 401 S Locust Street, Sweet Springs inside The Market. It is a completely virtual family practice clinic managing patients' general health from birth through geriatrics. Virtual health services are provided by [Western Missouri Family Healthcare – Concordia](#). Patients can also be seen in person at the Concordia location, a short 15-minute drive from the virtual clinic.

A virtual visit allows a patient and provider to discuss healthcare through telecommunications, such as a mobile device or computer. A patients will schedule their appointment through the Concordia clinic and can go to the Sweet Springs location to use our computer or they can login from the comfort of their home using their own device (technology permitting). They will then login to a secure system through our patient portal and get to see a provider on the screen and be assessed.

"We are very excited to partner with Western Missouri Medical Center to bring medical services to our community," said Tony Clark, General Manager of The Market in Sweet Springs. "This partnership offers a convenient location for our friends and neighbors and fills a major need for our area. This is what it means to be a 'hometown store' - by working hard to seek out services that truly help our community."

“This innovative clinic will allow local patients and those in surrounding areas to access a healthcare provider virtually,” said Tara Carlyle, Strategy & Development Executive. “Patients who might otherwise not have access to close care or virtual visits due to limited or slower internet speeds will now get to experience the convenience of telehealth.”

Patients that meet the criteria of a virtual visit can be seen via telehealth in our convenient location inside The Market. To find out if your appointment will qualify for virtual visits, please call [\(660\) 463-7966](tel:6604637966).
