

CHAMBER FLASH

Creating opportunities that drive commerce and promote business.

March 5th, 2021

Help me, Chamber!

"I have an upcoming event, a new product,
OR I really just need to get the word out
about my business. How can the Chamber
help me RIGHT NOW?"

★ Schedule a Tuesday Talk

On Tuesdays, we do Facebook LIVE videos with our members to promote what they have going on. We would be happy to stop by your business on a Tuesday!

★ Sign up as an EnGAGE speaker

Currently, we are Zooming our EnGAGE sessions and then also posting the videos on the first Tuesday of every month at 9 AM. You can talk about anything pertaining to your business for about 20 minutes. Schedule your speaking spot so we can promote it!

★ Send us your flyer

Our Chamber FLASH Newsletter goes out the 1st and 3rd Friday of every month - just send in your submission (JPEG or PNG preferred) the Tuesday prior by 5 PM!

★ Request to be a Featured Member

Featured Members for our Chamber FLASH Newsletter are selected at random, but a separate list of sign-ups will be drawn from for one of the bi-weekly newsletters each month. These are also posted on social media!

"Please welcome our new gym admin assistant/representative **KATELYN!!** This is her Great Pyrenees Luna who came in for a bit to work on her barkour."
- **Boss Body Fitness**

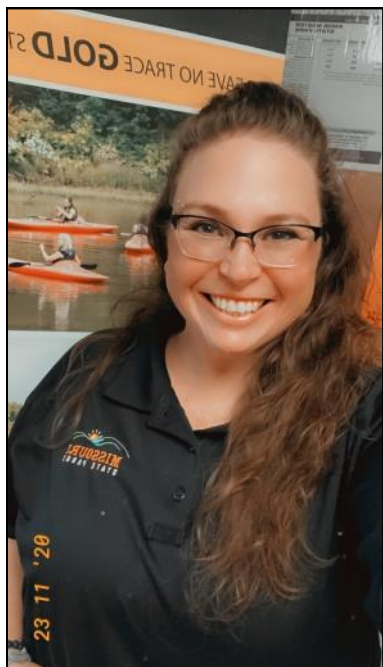

"Through the years, changing this billboard has been a blast as we've had the opportunity to have fun with some of the coolest people in the 'burg. None are more special than others but we'll tell you what...getting to say **THANK YOU** to **Liz Kostas** was definitely a highlight.

A ferocious fighter for children, never taking no, always pushing for more. She is the epitome of so many of the things we admire in a human. How lucky our community has been to have been served by her. There are kids whose lives were forever changed simply because they were lucky enough to cross paths with this woman".

- **Eyecare Specialties**

"Join is in wishing our Executive Director, **Misty**, a happy work anniversary! Misty has been with us for 14 years. Her passion for creating perfect lives is displayed daily and we appreciate her hard work!" - **RISE Community Services**

"In the past four years, **Shannon Johnson**, administrative support assistant at Knob Noster State Park, has discovered that her job requires expertise beyond the usual administrative skills. She has learned to run a chain saw, walk a fire-line, drive some of the big equipment, mow with big mowers, use a backpack blower, and so much more while on the job at Knob Noster. She has also overcome some of her fears such as bugs, snakes, mice and being dirty. She says, "Look at me now, I have a turtle in my office. His name is Yertle, he will be 3 years old this year."

Shannon appreciates the teamwork mentality at the park. She points out that everyone, including management, will jump in and get their hands dirty when needed. She enjoys every aspect of her job, especially the visitors, campground hosts and her co-workers. She says, "I finally found a place I can truly be myself. I really do enjoy and love my job at Knob Noster State Park." Thank you, Shannon, for being a part of our team at **Missouri State Parks**. [#WomenWednesday](#)"

Ribbon Cuttings

Journey Home of Johnson Co.

By Dustin Steinhoff
dustins@warrensburgstarjournal.com

The Warrensburg Chamber of Commerce hosted a ribbon cutting ceremony Monday, Feb. 22, to welcome Journey Home, one of the county's two permanent homeless shelters, as a new Chamber member.

Journey Home Board member Mary McCord said being a member of the Chamber provides opportunities for networking, publicity and obtaining community support, which all help Journey Home provide its services to the community.

Journey Home officially opened Nov. 2, 2020, and is located at 16 S.W. 265 Road, Warrensburg.

In addition to providing an emergency shelter, Journey Home works to connect individuals with health management and mental health management, help build job-seeking skills and help obtain individuals' missing documents.

"We try to wrap other services that other people do around that person to help them meet whatever goal they have," McCord said.

Journey Home Board member Erica Jones-Collins said since the shelter's opening, the organization has been able to house and transition 11 individuals into transitional or permanent housing.

Jones-Collins said those moving into transitional housing can still receive services from Journey Home such as receiving assistance with budgeting, obtaining transportation, obtaining insurance and obtaining furniture.

Those wanting to support Journey Home can do so by volunteering and donating food, clothing and funds. Journey Home also has an Adopt-A-Bed program where individuals or a group of people can donate the cost of housing for an individual each month, which is about \$200. [READ MORE](#)

Honor Detailing

By Dustin Steinhoff
dustins@warrensburgstarjournal.com

The Warrensburg Chamber of Commerce hosted a ribbon cutting ceremony Tuesday, Feb. 23, to welcome its new Chamber member, Honor Detailing.

Honor Detailing opened its doors May 4, 2020, and provides exterior and interior vehicle detailing as well as power-washing for buildings.

Customers can come by their location for services, but the business also provides mobile services to the local community as well as residents in locations such as Independence and Blue Springs.

Honor Detailing co-owner Joshua Murphy said he had planned to open the business at the end of March 2020 and had already planned the grand opening, but the COVID-19 pandemic and stay-at-home orders pushed the business' opening to May of that year.

Honor Detailing was initially located in a converted manual wash bay in Knob Noster, but the business switched locations to its current address at 7 SE State Highway J, Knob Noster, in November 2020.

Murphy said the new location allows the business to remain open during the winter months, which wasn't possible at the previous one.

Murphy said while the old location only had one bay that was open to the elements, the new location has two bays as well as doors to keep winter weather out as employees work on vehicles.

"We've worked in 108-degree temperatures and we've worked in 21-degree weather," Murphy said. "When you're working in elements like that, it's actually very difficult to do certain types of details in those temperatures if you're outside because blacks won't adhere to a vehicle when it's too cold, so you have to have it in a more controlled environment." Low Income Home Energy Assistance Program (LIHEAP)

The LIHEAP Program can help you pay your main heating and cooling bills. The Program helps low-income people meet their immediate energy needs.

To qualify for assistance, you must meet each of the following requirements:

- Be the person responsible for paying home heating and cooling costs
- Be a United States citizen or have been legally admitted for permanent residence
- Have \$3000 or less in bank accounts, retirement accounts or investments
- Meet specific income guidelines that vary according to household size

Energy Assistance (EA)

EA will give you a one-time payment to your primary heating source. The amount of help you received is based on the number in your household, your household income and the type of heating source used in your home. Applications are accepted during the months of November-March.

Energy Crisis Intervention Program (ECIP)

ECIP can help pay your fuel bills when your utility is shut off or threatened to be shut off. The amount of help you receive is based on the amount of money needed to settle your crisis with the energy provider.

Winter ECIP – is available November – May based on funding. The maximum amount you could receive is \$800. Winter ECIP can be used for the primary and secondary heating source

Summer ECIP – is available June- September based on funding. The maximum amount you could receive is \$600. Summer ECIP can only be used for electric.

Friend of Youth

Optimist Club of Warrensburg, Missouri

Calling all teachers and youth!!!!!! Are you looking for a lesson plan, do you have a student who is interested in oratory and /or essay writing? Each year, the Optimist International Foundation promotes both an essay and oratorical contest, with the Optimist Club of Warrensburg hosting our local oratorical on March 25 and we need participants. This would be a great educational block to help students prepare and present their views through the oratorical contest or voice their thoughts through creative writing with the essay contest. This is also a great opportunity to earn scholarship \$\$\$\$ as well as gain speaking experience.

Since its start in 1928, the Optimist Oratorical Contest has become the longest-running program sponsored by Optimist International. This year's oratorical topic "Healing The World With Optimism" is the theme with a very broad spectrum of interpretation. The contest is designed for youth to gain experience in public speaking and provide them with the opportunity to compete for a college scholarship. It is very easy to apply for the contest. Interested students should prepare a 4- to 5-minute speech on the assigned topic to present at the contest. The speeches are judged at the Club level, Regional level (if needed) and then at the District level. Our first and second place winners will go directly to Regionals to compete for a \$500 award. District winners get scholarships of \$2500, \$1500 and \$1000.

Optimist International will also host an essay contest as well. This year's topic, "Reaching Your Dreams by Choosing Optimism" could be a great creative writing project for a class and would give students the chance to share their thoughts during this most interesting of times. The essay winner can win up to \$2500 at the district level, with the deadline for submissions for this contest being Feb 19.

Youth of all ages are encouraged to compete and gain experience and give their view on the topic. The contest is open to youth under the age of 19 as of October 1st of the current Optimist International contest year (October 1 – September 30) and is not enrolled as a degree seeking student of a post-secondary institution. There is no minimum age.

We would love to have your students participate, or encourage any teacher who would love to have this as a curriculum, please contact Bellenda Laughlin at Pack N Mail 660-747-2799 or packnmailwbg@gmail.com for an information packet and entry form.

JCCHS Reduces COVID-19 Quarantine Restrictions

WARRENSBURG, Mo. (March 2, 2021) – Johnson County Community Health Services (JCCHS) has reduced quarantine restrictions for anyone who may have been exposed to COVID-19. The time required for a close contact to quarantine is reduced from 14 to 10 days.

Based on our current decrease in positive COVID-19 cases, JCCHS recommends decreasing the existing 14 day quarantine period to 10 days based on the following:

Quarantine can end after day 10 without testing if no symptoms have been reported, and the individual continues to wear a mask.

End to quarantine after the completion of 10 full days for ASYMPTOMATIC individuals, provided that monitoring continues throughout the full 14 days. If symptoms develop, the individual should contact a public health authority or healthcare provider immediately.

Johnson County has a seven percent positivity rate, and is identified as a Level 3 County: Serious Risk Category. This is defined in the state's Public Health Warning released by the Department of Health and Senior Services (DHSS).

DHSS strongly encourages local communities to consider a tiered approach that includes reduced quarantine restrictions when the local community is within a County Action Plan Level 3 status or better.

County Action Plan Levels are defined in the state's Public Health Warning, and may be reviewed here: <https://health.mo.gov/living/healthcondiseases/communicable/novel-coronavirus/pdf/advisory-20201119.pdf>.

Please note, according to DHSS, communities can move down in the risk category after two consecutive weeks of meeting the next lower level criteria. Johnson County has moved down in the risk category, therefore, lessening quarantine restrictions.

As a reminder, guidance regarding isolation for confirmed COVID-19 cases remains unchanged. This newly-modified CDC guidance is not authorized for reduced timeframes for quarantine in nursing facilities or long-term care facilities.

JCCHS continues to recommend following the 3Ws. Wear a mask, watch your distance and wash your hands.

COVID-19 Vaccine in Johnson County

WARRENSBURG, Mo. (Dec. 15, 2020) – Johnson County Community Health Services (JCCHS) is currently working through plans on distribution and administering the COVID-19 vaccine. Phase 1-A for healthcare workers and long-term care facilities will begin soon.

The Department of Health and Senior Services (DHSS) allocated the Pfizer-BioNTech COVID-19 vaccine to counties across the state. The vaccine was authorized for emergency use by the U.S. Food and Drug Administration on Friday night, Dec. 11, 2020. The vaccine is a series of two doses administered three weeks apart.

The schedule for vaccine distribution according to the state is:
Phase 1-A: Healthcare Workers and long-term care facilities.
Phase 1-B: Emergency response and essential workers.
Phase 2: Additional Phase-1 populations if not vaccinated in Phase 1, high risk populations and potentially all Missouri residents (as availability increases).
Phase 3: All Missouri residents – expected in spring or early summer and is dependent on vaccine availability.

WMMC Announces New Clinic Location Offering Virtual Visits in Sweet Springs

Warrensburg, MO (February 12, 2021) — Western Missouri Medical Center (WMMC) is excited to announce the opening of a new clinic location in Sweet Springs that will offer virtual visits to patients starting Monday, Feb. 22. Patients can make an appointment by calling (660) 463-7966.

"At WMMC we believe in providing health care closer to home," said Darinda J. Dick, CEO/President of WMMC. "This partnership between the Sweet Springs pharmacy and WMMC will create a better continuum of convenient medical care. We look forward to serving this community."

The Western Missouri Family Healthcare virtual clinic is located at 401 S Locust Street, Sweet Springs inside The Market. It is a completely virtual family practice clinic managing patients' general health from birth through geriatrics. Virtual health services are provided by Western Missouri Family Healthcare – Concordia. Patients can also be seen in person at the Concordia location, a short 15-minute drive from the virtual clinic.

A virtual visit allows a patient and provider to discuss healthcare through telecommunications, such as a mobile device or computer. A patient will schedule their appointment through the Concordia clinic and can go to the Sweet Springs location to use our computer or they can login from the comfort of their home using their own device (technology permitting). They will then login to a secure system through our patient portal and get to see a provider on the screen and be assessed. "We are very excited to partner with Western Missouri Medical Center to bring medical services to our community," said Tony Clark, General Manager of The Market in Sweet Springs. "This partnership offers a convenient location for our friends and neighbors and fills a major need for our area. This is what it means to be a 'hometown store' - by working hard to seek out services that truly help our community."

"This innovative clinic will allow local patients and those in surrounding areas to access a healthcare provider virtually," said Tara Carlyle, Strategy & Development Executive. "Patients who might otherwise not have access to close care or virtual visits due to limited or slower internet speeds will now get to experience the convenience of telehealth."

Trails Regional Library will begin the next phase of its reopening plan on Monday, March 1. Library services will include appointments for in-branch browsing and technology usage as well as curbside material pickup.

For the health and safety of our patrons and staff, we are following guidelines and precautions which meet or exceed health department guidelines.

- Masks or face shields covering the nose and mouth are required for all patrons and staff inside library buildings.
- Patrons should reserve an appointment before visiting the library. Complete our online form to make an appointment for an In-Person Visit or Curbside Service. You can also call your local branch library to schedule an appointment.
- In-branch visits are limited to 1 hour and can include browsing material as well as using computers, printers, and copiers.
- Children may accompany adults within one appointment if both parties stay together for the duration of the visit.
- Children's play areas and activities are not available.
- Meeting spaces are not available for use.
- All library events will be virtual until further notice.
- Children's Take and Make activities will be available at all branches and can be reserved by calling the branch.
- Building occupancy is limited. Patrons may be asked to wait outside if capacity is reached.
- Patrons are encouraged to frequently clean hands using complimentary hand sanitizing stations, available throughout the building.
- Anyone experiencing fever or flu-like symptoms is asked to not visit the library.

TIP: How to start an affinity group and why it makes sense now.

Merriam-Webster defines affinity group as “people having a common interest or goal or acting together for a specific purpose.” In the workplace, it may be called an “employee resource group.” This story of Gina Calder’s experience of building an affinity group illustrates the benefits.

“Calder worked her way up in the healthcare industry (not known for its large numbers of women in leadership) with the help and support of her network. She realized that while ‘I benefited immensely from that experience, I was kind of building that mentor network myself’. She created her affinity group because she “wanted the opportunity to provide that kind of guidance and support and coaching to other people, especially women and women of color and young women”.”

TIP: How to effectively network in a breakout room.

TIP: How to effectively network in a breakout room.

Breakout rooms in “zoom calls” are often the networking piece of the event because it’s where more manageable conversations can be had. However, we recently experienced a breakout room where the person tasked with being the facilitator didn’t take charge. They expected that when one person finished talking, someone else would speak up. Breakout rooms need more direction than this. Ellen Keiley in an article, Are the rules different for virtual networking? offers some good advice if you end up in the facilitator role.

As an icebreaker, “Suggest that everyone go around and introduce themselves: who they are, what they do, and maybe something brief about themselves, such as where they live, where their office is located, or a fun fact. The goal is to connect the dots with others and find common ground for conversation.” Remember, many people are reluctant to jump in and talk in these virtual settings, so take charge of the discussions. Use a technique that broadcast journalists use when they “toss” a portion of the show to another anchor or reporter. When you finish speaking, toss the conversation to someone else. Make sure everyone gets a chance to participate.

Power Your Business with Renewable Wind Energy

Wind accounts for over 30% of Evergy's daily energy production, making it an abundant and affordable way to help your business meet sustainability goals. Evergy's Renewables Direct program gives you the opportunity to offset a percentage of your business' monthly energy usage with locally sourced wind energy. When you subscribe to renewables direct your business becomes part of the solution, not only helping achieve sustainability goals, but also providing a benefit to the region by helping attract new businesses and encouraging additional renewables development.

How it works:

Customers with an average electric usage of 200 kW or greater are qualified to participate and may commit up to 100% of annual usage*.

Your subscription will replace the fuel factor charge on your bill shown as the ECA, with the Renewable Participation Charge (RPC).

Depending on how much energy your subscription generates, this may cover your entire monthly usage. Any remaining kilowatt hours (kWh) will be billed with the ECA instead of RPC.

Your Participation Agreement will commit you to a subscription of 5, 10, 15 or 20 years but the amount of energy you subscribe to may be adjusted depending on changes to your annual usage.

As a Renewables Direct participant, you can claim the full environmental benefits for your share of the program and may request a transfer of REC ownership from the utility.

**Subscriptions are sold in 200 kW increment blocks up to 1 MW, and in 500 kW increment blocks for any capacity beyond 1 MW.*

Top 20 nationally in customer and employee satisfaction

Americare Senior Living has earned 2020 Customer Approved and Employee Approved Awards from NRC Health. Only 20 Independent Living, Assisted Living, or Skilled Nursing organizations across the country earned this rare distinction, which is based on results from NRC Health's 2019 Resident and Family Experience Survey and the Employee Experience Survey. To qualify, organizations must have a high percentage of respondents willing to recommend their locations to friends and family as either places to live, or to work. This is Americare's second consecutive year to be recognized for customer satisfaction, and first year for employee satisfaction.

Experience That Matters

For almost 40 years, Americare Senior Living has been serving seniors and their families with upscale senior living and long-term care services. We're privately held and family operated, and we have the resources to put the best systems in place to protect both new and current residents. That's important. Because now, more than ever, it's experience that matters.

Let's talk. Please call us with any questions. We are here for you. Online assessment available.

There's Strength in Numbers

Say hello to the Chamber Benefit Plan.

A multiple employer welfare arrangement (MEWA) designed for businesses like yours.

When it comes to providing employees with cost-saving health care coverage, small businesses are at a big disadvantage compared to their larger counterparts. Because of their smaller size, their claims risk pool is spread out across a much smaller employee population. That can result in higher, less stable insurance rates — and fewer viable plan choices.

Fortunately, there's a simple and affordable medical plan alternative: *the Chamber Benefit Plan.*

Powered by the Missouri Chamber Federation, administered by The Health Plan (THP) with network access from HealthLink and Freedom Network select, the Chamber Benefit Plan is available to small group employers in Missouri who are members of a qualifying Chamber of Commerce and have 2 to 50 eligible employees.

Advantages that make a real difference:

- › Shared overall claims risk across a large pool
- › Competitive, medically underwritten rates
- › Fixed, predictable monthly payments
- › Choose from a variety of plan designs, including 10 PPO and three HSA options
- › Minimize the impact of ACA mandates while offering coverage to all eligible applicants, regardless of health status
- › Access to HealthLink/Freedom Network Select network
- › Coverage for claims run-out/terminal liability coverage
- › Simple, streamlined administration

Not a chamber member? We'll help you join one today!

Chamber members have access to a full range of high-quality plans and options that can lead to significant savings.

Let's get started. Contact us today to learn more.

Warrensburg
MISSOURI
Chamber of Commerce

The Warrensburg Chamber of Commerce's mission is to create opportunities that drive commerce and promote business. One way we help do that is to direct newcomers or visitors to Warrensburg to our local businesses! These publications are handed out at community events, given away in our Welcome Bags that go out to Whiteman Air Force Base and various other locations, housed in our office and posted on our website.

The **Restaurant Guide** contains a list of restaurants, coffee shops, wineries, etc. in Warrensburg, as well as our Chamber members in Knob Noster. Our Chamber members are listed in bold in this publication.

Our **Relocation Information** brochure lists essential businesses and organizations to contact upon arrival to Warrensburg. This brochure only contains our Chamber members' information.

If you know someone who has recently moved to the area, or if you know someone interested in moving to Warrensburg, please refer them to our website at www.warrensburg.org to find these resources!
