Please provide a brief statement of your background, how long you have lived in Warrensburg, if not a native, where you are originally from, type of business you are in etc.

I have the pleasure of serving our community as a financial advisor with Edward Jones - I have done so for the past 11 years. I was raised on a family farm 3 miles North of Concordia, Missouri. Our family farm is still in production today and I enjoy going back from time to time.

Why did you accept the nomination to the Board of Directors?

I accepted the nomination as an opportunity to broaden my exposure to our chamber, my fellow chamber members, and our chamber's future challenges. I plan to become a stronger 'voice of business' through my time serving on the chamber board.

I have been an active member of the Warrensburg Chamber of Commerce since 2010 and believe the Chamber should encourage the following in our community,

I envision our chamber as a promoter of commerce for our members. I think there continues to be an opportunity for the chamber to assist our members through programs and services.

I believe that as a member of the Board of Directors for the Chamber of Commerce I will be able to accomplish the following during my three years of service to the board of directors.

I plan to help build a strong community by supporting local businesses, advocating for a healthy business environment and sustaining economic vitality for current and more importantly future members of our chamber.
