Please answer in paragraph form the following:

Please provide a brief statement of your background, how long you have lived in Warrensburg, if not a native, where you are originally from, type of business you are in etc.

I was raised in Lexington, Missouri and moved to Warrensburg in 2011. I hold a B.S. from the University of Central Missouri and an M.A. from Park University in Organizational Leadership & Communication. I am the Development Manager at WMMC where I oversee all fundraising and volunteer initiatives and also teach Leadership Development Institute.

Why did you accept the nomination to the Board of Directors?

I am excited to accept the nomination and appreciate the Board for entrusting me with this opportunity. I believe that 2021 will be a year full of significant opportunities for our community; we have overcome the effects of the pandemic and are moving forward to build a better, more sustainable future. I want to be a part of a group that is focused on community involvement, supporting our businesses and empowering leaders.

I have been an active member of the Warrensburg Chamber of Commerce since 2017 and believe the Chamber should encourage the following in our community,

I believe that the Chamber should encourage growth initiatives for personal and professional development, advocating for area businesses and host networking opportunities to engage like-minded individuals who are focused on a common goal of improving our community.

I believe that as a member of the Board of Directors for the Chamber of Commerce I will be able to accomplish the following during my three years of service to the board of directors.

I would like to accomplish the goal of recruiting new businesses to join the Chamber of Commerce. Our community is full of diverse, unique leaders who have and continue to make an impact, which is something to be proud of. I want to give back and ensure that the generations to come continue to lead our community and leave a lasting impression. Through the Young Professionals Committee and other outlets, we have the opportunity to shape the next generation of leaders and teach them the importance of getting involved, advocating for and being a part of our great community.
