Spring Clean the Burg with Love What's Local

Warrensburg, MO (April 6, 2021) — In correlation with Warrensburg Main Street's Downtown Beautification, the City of Warrensburg Spring Clean Up, and the annual event of Earth Day, the Love What's Local Committee is declaring a Spring Clean the Burg from **Thursday, April 22nd to Thursday, April 29th**.

This week-long event's purpose is to encourage community volunteerism and to spruce up our town for the spring season. Residents, families, community groups, businesses, churches and teenagers who need to perform service hours can seek out projects and implement them during this time. Love What's Local will not be assigning specific projects, but can suggest areas needing improvement.

The Love What's Local Committee deemed the Clean the Burg event in Fall of 2020 a success with over 15 groups participating in different clean-up projects including highway, roadway, and parking lot clean ups, train depot cleaning, weed pulling, landscaping, and painting of buildings.

When posting photos to social media, use the hashtag #CleanTheBurg to be featured on the Love What's Local social media pages. To see photos of past projects, search #CleanTheBurg on Facebook, as well.

For more event information, visit www.warrensburgmainstreet.org or www.warrensburg.org

Love What's Local was created by City of Warrensburg, Warrensburg Chamber of Commerce and Warrensburg Main Street to educate consumers to purchase local goods and services. Annual Love What's Local events include Dog Days of Summer Sale, Clean the Burg, Holiday Open Houses, and Restaurant Week.
