UPDATE YOUR BUSINESS HOURS

Add the hours your business is open (i.e. the regular customer-facing hours of operation for a typical week). For days when you have unusual hours, like holidays or special events, **set special hours**. Learn more about hours guidelines:

To set hours, follow these steps:

- Sign in to Google My Business. If you have multiple locations, open the location you'd like to manage.
- Click Info from the menu.
- Next to "Add hours" or your current business hours, click Hours.
- Turn on each day of the week that your business is open.
- Next to each day of the week that your business is open, click Opens at, and then select the opening time.
- Next to each day of the week that your business is open, click Closes at, and then select the closing time.
- After you're done setting your hours, click Apply.

Set business hour breaks

To indicate your business hours include a break, create 2 entries for the same day with different times.

For example, if your business is open from 9 AM–2 PM on Saturdays, closed from 2 PM–5 PM, then open again from 5 PM–10 PM:

1. Turn on Saturday.
2. Next to "Saturday," click Opens at 9:00 AM.
3. Next to "Saturday," click Closes at 2:00 PM.
4. Next to "Saturday," click Opens at 5:00 PM.
5. Next to "Saturday," click Closes at 10:00 PM.

Set 24-hour business hours

Next to each day of the week that your business is open, click Opens at 24 hours.

Set special hours

On your computer, sign in to Google My Business.

- If you have multiple locations, open the location you'd like to manage.
- Click Info > Special hours. (You'll only find this section if you've already provided regular hours.)
- Next to an upcoming holiday, click Confirm hours. Or to choose a different date, click Add new date.
- Enter the opening and closing times for that day.
- To mark the location as closed all day, slide the circle to "Closed."
- If you're open 24 hours, click Opens at, and from the drop down menu select 24 hours.
- If you enter closing hours past midnight, make sure to set them properly.
- When you've finished entering all of your special hours, click Apply. Your special hours will appear to customers on Google only for the designated days.

- Log in to your Facebook account and go to your Business Page.
- Click About on the left side of your Business Page.
- Click Edit Page Info.
- Click the Hours tab at the top.
- Add or edit your hours and click Save Changes.

A Touchstone Energy® Cooperative 

Co-op Connections Fact Sheet

Why is West Central Electric Cooperative interested in promoting my business?

One of the 7 Cooperative Principles as well as one of the four core values of Touchstone Energy Cooperatives is “Commitment to Community.”

Electric cooperatives are member-owned, not-for-profit businesses that are dedicated to **supporting our members and our local communities**. With the co-op connections card, we can do both!

What does this cost me?

Not a penny, other than the offer you choose to extend to your customers who are cooperative members and have the Co-op Connections card. And that can be ANYTHING! Just a few examples:

- One free drink with a meal purchase for restaurants
- A free bottle of window cleaner with an implement purchase or repair for implement dealers
- A free pair of work gloves with a \$50 purchase for farm & home-type businesses
- A percentage discount on the purchase of two large bags of dog food (or any size or amount designation)
- A free side with the purchase of a sandwich at the local deli

How can this benefit my business?

This program allows us to promote your business through our newsletter, Facebook page, website, etc., and help draw people into your business. It also allows us to help out our cooperative members by giving them the opportunity to save a little money on goods and services.

We will publish lists of participating Co-op Connections businesses each month in our member newsletter which is mailed to cooperative members in our service area that includes Lafayette, Johnson, eastern Jackson and parts of Cass and Pettis counties. That is more than 12,000 members who can see your business name in front of them each month!

- We will also highlight your Co-op Connections deal periodically in the member newsletter.
- We will routinely publish reminders on our Facebook page asking members to support your business.
- We will maintain a list of current Co-op Connections businesses on our website along with their current offer.
- Offers are good to ANYONE who has a Co-op Connections card – including those from out-of-state. Those passing through can click on “Local Deals” on their app when they are in town, and your business will pop up.

Tip:
Reintegrating, is that the new buzz word?

TIP: Reintegrating, is that the new buzz word?

Are we getting closer to reintegrating with other humans in the way we used to before March 2020? All signs are pointing that way. Are you ready to get rid of those sweatpants?

While we admire the virtual 'work-arounds' for conferences, networking events, and charity fundraisers, it is not the same. Now is the time to start checking online to see when face-to-face events are starting up again and begin researching conferences where you can attend in person.

After over a year of physical isolation most of us are keen to 'reintegrate' with other human beings, and that will mean more **networking**. Is this the time to take your networking skills up a notch with our new comprehensive online course? There is a special price for you.

Tip:
Human nature makes 'the ask' successful.

TIP: Human nature makes "the ask successful"

A woman who writes a free weekly newsletter on organizing tips recently told us, "I feel uncomfortable asking people if they'd like to receive my newsletter", but she **should ask** because her chances of success are high. Author and coach Ray Williams in *Why We'd Rather Say "Yes" to Requests Than "No"* cites research by Vanessa Bohns, Cornell University psychological scientist that backs this up.

"Bohns and her colleagues asked study participants to make requests of more than 14,000 strangers: Whether it's asking to borrow a cell phone or soliciting a charitable donation, their research reveals that people are far too pessimistic about their own powers of persuasion."

Most people estimated a greater number of people would say no **than actually did**.

Warrensburg, MO (May 28, 2021) — Western Missouri Medical Center (WMMC) has officially opened the Western Missouri Cancer Center as of April 5, 2021, bringing highly specialized cancer care to our community. The Western Missouri Cancer Center is located in the main hospital and is adjacent to the Western Missouri Infusion Center. The opening of this clinic is a significant step forward for WMMC and will support the hospital's mission to be the regional preferred provider of exceptional health care services. Recognizing that many types of cancer require specialists with highly-focused knowledge, the Western Missouri Cancer Center has partnered with Midamerica Cancer Care to offer providers who possess unique cancer expertise. "This endeavor is a significant step forward in our vision to be the leader in comprehensive cancer care for our greater community," says Darinda J. Dick, President/CEO of WMMC.

Trails Regional Library Launches Self Checkout Machines

Trails Regional Library launched self checkout machines at 6 branches last week. These machines were funded in part through 2020 CARES Act funding from the Johnson County, Missouri government. The self checkouts will allow patrons a safe, contactless, and private way to check out library materials, check their accounts, and pay for lost or damaged item fees.

The self checkout machines utilize RFID tag technology, which lets users place all items on the pad without scanning individual barcodes. The benefit to providing the machines now includes increased privacy for patron selections, faster lines during the busy summer months, and reduced contact for those who are in populations more vulnerable to COVID-19.

The Warrensburg, Odessa, Lexington, Holden, Concordia, and Knob Noster branches currently have at least one self checkout machine operating. Smaller branches, including Corder, Waverly, and the Leeton Express Branch, do not have self checkout machines due to limited space.

Amtrak Missouri River Runner Returns to Two Daily Round-Trip Trains

JEFFERSON CITY –The State of Missouri and Amtrak will restore the second of two daily round-trip trains on the Amtrak MidwestSM Missouri River Runner line between the Amtrak stations in Kansas City and St. Louis starting July 19. Funding from the State of Missouri and the federal American Rescue Plan Act will keep those two round-trip trains running through the end of December 2021. This service was reduced to one round-trip each day in March 2020 due to the COVID-19 pandemic.

“We appreciate the General Assembly and Gov. Parson providing necessary resources for the Amtrak *Missouri River Runner* service in the state’s budget as well as the additional COVID relief funds enabling us to restore this important transportation service to Missourians,” said Missouri Department of Transportation Director Patrick McKenna. “The two daily round-trip trains will be available through December covering the busiest time of the year including summer vacations, fall festivals and year-end holiday travel. We will re-evaluate the situation this fall based on the actions at the federal level with the renewal of the federal transportation budget to determine how long we can support the two daily round-trip service.”

“We also extend our thanks to Gov. Parson and the Legislature for their actions and for the steadfast, statewide support from the Missouri Rail Passenger Advisory Committee,” said Ray Lang, Amtrak Vice President for state-sponsored services. “Our valued relationship with MoDOT goes back to 1979 and we look forward to improving the already reliable service by the debut of new U.S.-made Amtrak Midwest railcars on this route later this year.”

Warrensburg
MISSOURI
Chamber of Commerce

The Warrensburg Chamber of Commerce's mission is to create opportunities that drive commerce and promote business. One way we help do that is to direct newcomers or visitors to Warrensburg to our local businesses! These publications are handed out at community events, given away in our Welcome Bags that go out to Whiteman Air Force Base and various other locations, housed in our office and posted on our website.

The **Restaurant Guide** contains a list of restaurants, coffee shops, wineries, etc. in Warrensburg, as well as our Chamber members in Knob Noster. Our Chamber members are listed in bold in this publication.

Our **Relocation Information** brochure lists essential businesses and organizations to contact upon arrival to Warrensburg. This brochure only contains our Chamber members' information.

If you know someone who has recently moved to the area, or if you know someone interested in moving to Warrensburg, please refer them to our website at www.warrensburg.org to find these resources!
