Client Testimonial

Jeneen was honestly a God send for our family. Not only did she help us find the perfect house for the perfect price..she helped us while we lived in another country to get us the house. We were able to put all of our trust into her to get what needed to be done, done. We are also first time homeowners and she was so helpful walking us through the process. 15/10 would recommend. She's amazing.

Meet the Board

Jennie Snapp

What is your profession?

Communications & Development Manager
at WMMC

Where is your hometown?

Lexington, MO

Why did you choose to join the Chamber Board of Directors?

I chose to join the Board for many reasons, one of which is because I have seen the difference that the Chamber has made in our community. I also wanted to make an impact as a young professional and offer a perspective from that aspect. Furthermore, this has been a career goal of mine for quite some time, and feel honored to have been nominated and selected to join so many people that I look up to.

What do you love about Warrensburg?

Warrensburg is such a unique community. Our businesses and organizations are thriving and everyone seems to band together to help where they are needed. There are so many events and opportunities for the community members to do on any given day. My family especially enjoys the Farmers Market on Saturday, and then grabbing lunch at a local restaurant and heading to the park.

What's a Fun Fact about Yourself?

Last year, I won "Top 20 Under 40," "Young Professional of the Year," graduated from the CLIMB class of 2021, and completed my Master's in Organizational Leadership & Communication all while pregnant! It was quite a challenge and required a lot of balance and discipline, but it was worth it. I have a great support system at home and leadership at my job that made it all possible. This year, I am soaking up time with my husband and three boys.

Why did you choose to join the Chamber Board of Directors?

What's a Fun Fact about Yourself?

Why did you choose to join the Chamber Board of Directors?

I've admired the broad and inclusive approach the Warrensburg Chamber of Commerce has to supporting their members, and the community at large, for many years. Serving on the Chamber Board of Directors is an opportunity to help tell that story and further the organization's mission.

What do you love about Warrensburg?

I love so many things about Warrensburg! The small-town feel, the way our community entities work so well together, the wide diversity of people in the community (thanks largely to Whiteman AFB and UCM), the proximity to both natural, undeveloped areas (including Knob Noster State Park) and the Kansas City metropolitan area, the fact that we're home to "man's best friend," and especially how easy it is to get involved and make a difference.

Tip: Five ways to stay connected while chilling.

Tip: Sometimes we forget to ask.

TIP: Five ways to stay connected while chilling.

After having spent two summers staying home people are taking advantage of these months to get outdoors as much as they possibly can. If you are doing this, but don't want to go missing in action with your network, here are some easy ways to stay connected:

1. Start following people/companies/groups on Twitter, Instagram, TikTok, LinkedIn and other relevant sites.
2. Engage more with your online network -- tap the 'like' button rather than just scrolling through.
3. Comment on posts. Most people don't. The writer will see your name, as well all the others viewing the post. It's an easy way to stay on their radar when you are at the cottage or cabin or in your back yard.

[Read More](#)

TIP: Sometimes we forget to ask.

While it's important to work on *building* your network, it's worth remembering that your present network may be a source for business opportunities.

Maria Timothy in a [Forbes article](#) reminds us, "you may have a major client with whom you have a great relationship, but you've never thought to ask them for new business leads or referrals. Or it could be that a small startup business begins following you on social media and as you engage with them, you realize there is great opportunity for collaboration."

While asking for help may take you out of your comfort zone, approach it this way:

1. If someone asked you the same kind of question, would you be willing to help them? If you say no, then maybe work on your [Positive Networking®](#) skills first.
2. Make a concise case for WHY it would make sense for you to meet with one of their contacts. Provide a one or two sentence reason why introducing you could possibly **help** their contact -- whether it's your product, service, or expertise.

WMMC Achieves Five-Star Rating from CMS

WARRENSBURG, MO—Western Missouri Medical Center (WMMC) has received a five-star overall hospital quality rating from the Centers for Medicare & Medicaid Services (CMS), the highest rating a hospital can achieve. Just 13% of the 3,093 hospitals in the country have a five-star overall rating on the Care Compare website which was updated by CMS on July 27.

"This is the first time WMMC has received a five-star overall rating from CMS, so this is an exciting achievement," said Darinda Dick, President/CEO of WMMC. "This is a testament to the hard work of our staff and their commitment to our patients. We are honored and excited to celebrate this achievement!"

CMS's star rating system, which began in July 2016, is updated annually. The 2022 Overall Star Rating is based on 47 quality measures CMS reports on publicly. These measures are divided into five measure groups: Mortality, Safety of Care, Readmission, Patient Experience, and Timely & Effective Care.

COVID Level to Increase Aug 8

Monday, August 8, all branches of Trails Regional Library will move into **COVID**

Level Two. Branches will continue to be open with full service, full staff, and regular hours.

The COVID Level Plan was approved in August 2021 by the Trails Regional Library Board of Trustees. Due to increased cases in Johnson and Lafayette Counties, Director Jackie Hawes has made the decision to move library branches from Level One to Level Two. This level still includes safety precautions without limiting access to library services. The COVID Level Plan includes five color-coded levels specific to each branch location. Any future level changes will be communicated on posted signs outside every library building, on the library website, social media, and shared with local news outlets for publication.

Underage youth impairment is a serious problem. However, it is also a problem that can be addressed. Enforcement of drinking age laws and impaired driving laws are a key component of any community's efforts to reduce underage impaired driving.

This training opportunity is available to all interested parties. You do not have to be in Law Enforcement to attend.
