RECENT DEVELOPMENT

Employers Should Continue to Use Current Version of Form I-9 After Oct. 31, 2022

By Bruce Buchanan on October 17, 2022

On October 12, 2022, the USCIS announced that employers should continue to use the current Form I-9 after its expiration date of October 31, 2022, until further notice. It is anticipated that the Department of Homeland Security will publish a new one-page Form I-9 in the coming months. Thus, until the new version of the Form I-9 is published and effective, employers should continue to use the current version of the I-9 form.

Business Articles

TIP: Strategic networks explained really well.

We often refer to Herminia Ibarra's three categories of networks (operational, personal, and strategic). Ibarra, who is a Professor of Organizational Behaviour at London Business School, says that developing your strategic network is the most important one for your career but it's also the most challenging to build.

But what is a strategic network? Ibarra says internal or external it's **"how you keep your finger on the pulse of what's happening"**. But she reinforces the point that to be strategic you **must** connect outside your organization and deliver that information and those ideas back to your organization.

[Read More](#)

TIP: Please don't throw the baby out with the bathwater.

Are business cards another fallout from the pandemic? We are noticing that people are less interested in exchanging cards. "We don't use business cards anymore."

Our question is, "What are you using then?" Often the response is, "I get their telephone number and text them."

We have received some of these texts, and there's no company name, maybe just a first name, and sometimes that is OK, but if you expect a more professional exchange...that doesn't work.

Also, when someone says "let me put you in my phone" it's trickier.

TREE OF STARS BANNER PROGRAM

In addition to our normal Tree of Stars program, for a limited time only, we are offering an additional option.

Individuals, businesses, organizations and families may sponsor a 24x48" banner in honor or in memory of their favorite veteran OR in honor of a staff member for \$225.

Banners are two-sided and may include a photo of the veteran or staff member. Photos need to be high resolution and good quality. 8x10's work the best.

This is a GREAT way to honor a special veteran in your life or honor your child, grandchild, parent or spouse who works at the Veterans Home.

THE DEADLINE IS WEDNESDAY, NOV. 23, the day before Thanksgiving.

Please make your donation payable to the: **Veterans Assistance League "Tree of Stars"**, and send it to: **1300 Veterans Road, Warrensburg, MO 64093. Please fill out the banner dog tag form with your message. Note the limited amount of characters.**

For more information, call Latisha Koetting, Supervisor of Volunteer Services, at (660) 429-4661 or email Latisha.Koetting@mvc.dps.mo.gov.

TREE OF STARS MAKES HOLIDAYS BRIGHTER

The "Tree of Stars" is an opportunity for individuals and groups to partner with the Veterans Assistance League (VAL) to make the holidays a little brighter for the Veterans who live at the Missouri Veterans Home in Warrensburg.

As donations are received, personalized dog tags with different colored silencers will be placed on a Christmas tree in the Home's lobby. The silencers represent different levels of support and the tree will become a beautiful focal point that our Veterans will love.

Funds raised are then used to purchase a Christmas gift for each of the home's Veterans. Gifts are wrapped and hand delivered, along with a visit from Santa and songs by carolers. The gifts and merriment are especially important to the Veterans who might not receive anything at all otherwise. Veterans who are new to the Home and are especially appreciative of the holiday cheer.

We hope you will consider giving back to those who have given so much to preserve our nation and its freedoms. **Our goal is \$10,000**, which will provide one \$50 present for each of the Home's 200 Veterans.

Please make your donation payable to: **Veterans Assistance League "Tree of Stars"**, and send to: **1300 Veterans Rd., Warrensburg, MO 64093. Please fill out the dog tag form with your Christmas message.**

For more information, call Latisha Koetting, Supervisor of Volunteer Services, at (660) 429-4661 or email Latisha.Koetting@mvc.dps.mo.gov.

Missouri Safety Center Collaborates with Agencies on 'Take 1 for Zero' Initiative

The Missouri Safety Center at the University of Central Missouri is teaming up with the Missouri School Boards' Association and several other collaborating agencies for the "Take 1 for Zero" project, funded through the Missouri Department of Transportation Highway Safety and Traffic Division. This project involves several partners including: the Missouri State Highway Patrol, the Center for Education Safety, the Missouri Parent Teacher Association (Mo PTA), Missouri Association of Student Councils (MASC), Missouri Association of Pupil Transportation (MAPT), nationally recognized traffic safety specialist Cara Filler, and other traffic safety partners throughout the state.

The goal of the project is to make "1" major impact on roadway safety by focusing on school bus stop arm violations throughout Missouri. The act of illegally passing a stopped school bus with red lights flashing is commonly known as a "stop-arm violation". This is a major problem across the country, based on data from the National Association of State Directors of Pupil Transportation (NASDPTS) that show:

- 17 million motorists commit stop-arm violations each school year
- 95,494 illegal passes were recorded from a 2019 survey of 39 states conducted by NASDPTS
- 60% of motorists passed from the front of the bus and 97% passed on the left side of the bus (stop-arm side), according to the NASDPTS survey.

Local Business Owner Organizes Sixth Annual Holiday Parade

WARRENSBURG, Mo. (October 25, 2021)

– Dewayne Jackson, the owner of Jaeger Tire in Warrensburg, is excited to announce the sixth annual holiday parade held on Friday, December 2, 2022, in Warrensburg, Missouri.

Jackson is the primary coordinator and works with local organizations such as Warrensburg Chamber of Commerce, Warrensburg Main Street, City of Warrensburg, Johnson County Courthouse, Warrensburg Convention & Visitors Bureau, to host this free community event.

"We are especially looking forward to this year's event, which we hope will be the biggest yet! Each year the community activity has grown with more lights on the displays; this year, our committee hopes that the parade will be much larger with more participation from our community groups and with the hope of good weather," said Jackson.

The Holiday Parade is scheduled to start at 6:00 p.m. in the parking lot of UCM Multipurpose Building, 500 S. Washington Street. It will parade north on Holden Street, through the downtown area, and halt at Holden and Gay Street. There will be music playing on the courthouse lawn, and Santa will be arriving by sled after the parade! Children can bring their letters for Santa and drop them off in the special mailbox that evening. Letters with a return address will get a special note from the North Pole. They will also have an opportunity to write one following the parade.

STOPS Strategic Traffic Operations

April 2021 Missouri began the Show Me Zero Initiative. While gun violence and disease lead headline news, Crashes continue to occur on Missouri roadways. Crashes are up, speed violations have increased, and fatal crashes are at an all time high in America.

STOPS was created to encourage law enforcement to engage in making vehicle stops for violations of the motor vehicle code.

The need is great, but support is weak for stopping violators in vehicles and making headway to ending this silent killer. To encourage support from the law-abiding citizens of Missouri, STOPS encourages the DDACTS model to combat apathy of the citizens. To support law enforcement making vehicle stops and arrests for impaired drivers, going beyond the stop and intercepting drug and human traffickers.

STOPS teaches a constitutionally sound, professional method of conducting a roadside interview.

Stops concludes with managing the law enforcement roadside work zone.

is a twice-monthly email publication, out on the FIRST and THIRD Fridays of each month. It's a great way for Chamber members to share information about their businesses! It also keeps members up to date with member benefits, networking events and other activities.

Space in the *Chamber Flash* is an included member benefit for Chamber members only. E-mail your print ready ad in **JPG format** to chamber@warrensburg.org by **COB Tuesday** for Friday publication.

You must resubmit your flyer each week you would like it published.

The *Chamber Flash* is compiled and written by Communications Coordinator, Rebekah Mauschaugh.
